

Advertising Fund Progress Reported

SEATTLE, Aug. 31 (AP)—Satisfactory progress toward the raising of a \$1,600,000 Pacific north-

west tourist advertising fund in Oregon, Washington and British Columbia was reported yesterday by William Edris, Seattle, a leading sponsor of the project, after a conference with Stanley S. McKeen of Vancouver, B. C.

Pacific Northwest Trade Association President

Edris said a permanent committee for the fund will be created at a meeting of the trade association at Bellingham, September 11-12.

OPA Places Price Rules on Pulpwood

WASHINGTON, Aug. 31 (AP)—Pulpwood producers felt the bite of the office of price administration today and, effective September 1, pulpwood produced in the western half of the United States will be under a general price ceiling.

The action limits producers' prices to their highest March, 1942, prices. OPA said the move was made principally to alleviate a threat of serious local shortage of firewood. Lack of ceiling prices on pulpwood threatened to deprive many communities in Oregon and Washington of sufficient firewood.

Mother took us shopping last week and bought our school clothes where she always does—Montgomery Ward. She likes to go there because she can buy us complete outfits for such a small amount of money, and because they last for a long, long time. We like to go there, too, because Wards have the clothes that kids like best—the sweaters and skirts and longies and reversibles that the whole crowd goes for! Only nicer-looking than most! That's why we can say without bragging, that "with our new Ward clothes... we're the best-dressed kids in school."

P. S. Mother says it's so easy to pay for the clothes she buys us at Wards. Any \$10 purchase will open a monthly payment account.
