PENDLETON, Sept. 19 (P)—The Sam Jackson and John Hamley trophies, emblematic of the all-around cowboy championship, were in the possession of Gene Rambo, Shandon, Calif., cowboy today, following one of the most successful round-ups in the history of the event.

The all-around performance was unusually good and the crowds equalled or exceeded all previous years, officials said.

Other leaders in the arena events were:

Calf roping, Floyd Peters, Browning, Mo., with an average of 16.4 seconds.

Bulldogging, Homer Pettigrew, Grady, N. M., 24.5 seconds.

DFC AWARDED TO LT. ROY PROPST

FIFTH AIR FORCE, SOUTH-WEST PACIFIC—First Lieut. Roy N. Propst, son of Mrs. L. E. McGonagle, McCloud, Cal., was recently awarded the Distinguished Flying Cross for flight missions as pilot of a troop carrier airplane. He is the grandson of Mrs. C. F. Bamber, formerly of Klamath Falls, Ore., and is a graduate of Klamath Union high school.

Lieutenant Propst has piloted planes with loads totaling more than 2,000,000 pounds since he came overseas. Troop carrier planes have flown men, supplies and equipment to battle fronts in every campaign in New Guinea, New Britain and the Admiralty Islands. Fifth air force troop carrier units are commanded by Brigadier General Warren R. Carter.

Major General Ennis C. Whitehead, fifth air force commander, recently commended the troop carriers for making possible the rapid allied advance in Dutch New Guinea. The big C-47 workhorse planes have flown paratroopers in the combined air, sea and land assaults which have been typical of Southwest Pacific war.

Lieutenant Propst enlisted in the army air forces September 9, 1940, and received his flight training at Blythe and Bakersfield, Cal.

Practice Bombs Fall From Planes

WALLA WALLA, Sept. 19 (P)—Accidental dropping of small practice bombs near Hermiston and Boardman, Ore., last week has resulted in new orders that bomb bay doors shall not be opened until bombers are over the ranges. Col. David Wade, commanding officer of the Walla Walla air base, announced last night.

Wade said the bombs accidentally worked loose from the racks and fell through open bomb bay doors of B-24 bombers. Bombs used here, however, have only sufficient powder to make a smoke for target identification, he said.

HIGH SCHOOL

News Notes and
Comment

By JUANITA SHINN
Not only the football team has been practicing and perfecting timing. The band and Pep Peppers have been drilling in preparation for the game with the Grant Generals Friday night.

It has been announced that the Krater, high school newspaper, will not only handle the concessions for the high school home games, but also for the games played on Modoc field by the marines. The Chess club will take one marine game, but members of the Krater staff will do the work for the others.

Speaking of the Krater, it is a great honor to the school as well as the staff and advisor to have been awarded the Gallup award by the Quill and Scroll for outstanding work in the war effort.

Only 50 high schools in the United States will receive the award. A list of those schools receiving the award has not yet been sent out, so at this time it is unknown whether other Oregon schools received the award or not.

Aside from sending Kraters to the KUHS alumni in the service, they contributed \$100 to the Red Cross, and sponsored a waste paper drive.

After the football game Friday night, the DeMolays will sponsor a dance in the Masonic temple. Admission will be 50 cents; 35 cents stag.

NATIONAL LEADER TO ADDRESS SCOUTS

One of the national field Scout commissioners of the Boy Scouts of America, Father Louis Barcelo, CSC, will talk to Boy Scouts and friends in an assembly at Fremont auditorium this evening, Tuesday. Father Barcelo, an Eagle Scout and veteran of 28 years service in the Scouting movement, has recently completed a 10,000-mile trip across the country in behalf of the Scout movement. He has had the unique experience of visiting the Scout camp in Portland, Maine, and Portland, Oregon, in the same season. While en route home, Father Barcelo did some work in Boys Town where seven different Scout groups are in operation.

He is in Klamath Falls in the interests of assisting the local Catholic parish with its Scouting program and offered his services in any way to the local council in its training program. Father Barcelo is an accomplished ventriloquist and will demonstrate some of this hobby to the Scouts. The meeting is open to the public and especially to Scouts and Cubs and boys who are interested in being Scouts or Cubs. There is no admission charge and the program begins at 7:30 p. m.

Oregon Journal Supports FDR

PORTLAND, Ore., Sept. 19 (P)—The Oregon Journal, independent Portland newspaper which opposed President Roosevelt's third term bid and supported Wendell Willkie, came out for Roosevelt's reelection today.

In an editorial the paper termed Mr. Roosevelt "the leading figure in the allied strategy both of war and peace," and declared that "the issues of the presidential election and of war and peace are inseparable."

Thomas E. Dewey, the republican presidential nominee, "has not loomed large upon the stage of world events," the editorial said, "and the arguments

for his election lack the force they would possess in normal times."

FORESTS OPEN.
SALEM, Sept. 19 (P)—Oregon forests west of the Cascades, except those in Jackson and Joseph counties, were reopened today by Governor Snell, who said there was no fire hazard.
