Belkirk, assistant pro at Country Club and Country Club, will enter the \$10,000 Portland Open to be played November 10-12 inclusive.
Belkirk burned up the local record in June when he set a record of just 63 shots. He is traveling in some of the fastest company though the starts digging for pay-rolls in the Portland Links. The "dust twins," Lord Byron and Jug McSpaden, top winners of the national tour were among the first to be chis for the tourney. Bill says he's going to practice in earnest soon, and he's really on the way to the play-for-pay boys as their money.
The sailors from the air stam-amped the marines 8 to 6 in the softball tilt played yesterday afternoon at the County Club. This evening the count-ame apiece, as the leather-look took the first battle 7 to 6.

The rubber will be played in the future, but it has not yet decided where the fray be held.

Large Crowd Will Watch Grid Opener

LOS ANGELES, Sept. 21 (AP)—The biggest opening day ball crowds there in many years will watch UCLA and the University of California resume their rivalry tomorrow in the Memorial Coliseum.
With more than 50,000 seats now, a turnout of almost 60,000 is anticipated.
UCLA remains a slight favorite, because of the experience and known capacity of its team. The Bruin chances seem best primarily on the good playing arm of Bob Water-er, quarterback who directed UCLA to its first Pacific Coast reference title in 1942.
The Trojans will outweigh the Bruins and they have a lot of edge in the backfield.
Coach Babe Horrell will open at Waterfield, Jack Boyd, Vic and Jack Myers.

Frankie Parker Semi-Finals Net Tournay

LOS ANGELES, Sept. 22 (AP)—Frankie Parker of Pasadena, national singles champion, advanced to the semi-finals of the 18th annual Pacific south-ern championships with a de-vice 6-2, 6-0 triumph over E. B. Buse, champion of Peru.
Parker scored many of his sets with accurate placements on the baseline in his match yesterday.
The wiry Bill Talbert of Annapolis, second high-rank-etter in the nation, also advanced from the quarter-finals, hitting a fast service and a backhand drive that gave him a 6-2, 6-3 win over Morey of Beverly Hills, Calif.
Parker will meet E. B. Buse in the semi-final match tomorrow.
In the women's singles Mrs. Palfrey Cooke, of Chest-er Hills, Mass., former women's national champion, eliminated defending champion of the tournament, Louise Brough, of Beverly Hills, with a 6-4, 6-2 victory in a quarter-final match.
Cynthia Bundy, of Santa Monica, youthful national clay-court champion, won her quar-ter-final by defeating Mary Gold, Wightman cup veteran, 6-3.

Bevos Take Two in Row From Angels

Pieretti Stops Champs 3-2 With Five-Hitter, Oakland Must Replay First Contest

PORTLAND, Sept. 22 (AP)—The Bevos took two in a row from the Los Angeles Angels in the first two games of the series here today.
Pieretti pitched a five-hitter and struck out seven in the first game, leading the Bevos to a 3-2 victory. Oakland must replay the first contest because of a rainout.

By The Associated Press
Ordered to replay Wednesday night's protested win over San Francisco, the Oakland A's lost last night's backslung to Manuel Salvo's seven-hit pitching with nice stick work to defeat the Seals, 5 to 1, for 1 to 0 lead in the Coast league president's cup playoffs.
League President Clarence Rowland yesterday upheld San Francisco's protest of a second inning ruling on a foul ball which was deflected into fair territory and the batter ruled out. Last night's game was a replay and another game was added to the schedule, to be played Saturday.

Portland's Marino Pieretti limited the Los Angeles Angels to five hits as the Bevos won their second straight from the league champions, 3 to 2, in the other half of the playoffs.
The Bevos tied the score at 2-2 in the fourth inning after the Angels had taken an early lead, then added the clincher in the seventh on a single and a double.
Portland needs two wins to guarantee participation in the final series against the winner of the San Francisco-Oakland tilt; \$10,000 in prize money is involved.

Phillies Trade Money and Men For Acorn Star

PHILADELPHIA, Sept. 21 (AP)—The Phillies announced today the purchase of Leslie George Scarsella, outfielder and first baseman for Oakland in the Pacific Coast league, for an undisclosed sum of money and two Phillies players, to be selected later.
Several clubs were reported to have bid for the 30-year-old left-hander, who has batted .335 this year to tie his teammate, Frankie Kelleher, for league honors. Scarsella, who has been given trials by the Boston Braves and Cincinnati Reds, has been in professional baseball for 10 years. He is 30.

Slingin' Sammy Must Quit Redskins or Go Into Army

WASHINGTON, Sept. 21 (AP)—The Washington Post said today that Sammy Baugh must quit the Washington Redskins and return to his Texas ranch by October 1 or be classified 1A by selective service.
Baugh must choose between continuing in professional football or returning to his occupation as a rancher, the Post said it was told by C. R. Simmons, chairman of the Nolan county (Texas) draft board No. 1.
"As a rancher, Baugh has been holding a 20 classification," said Simmons, "and he applied in July for permission to play three charity games in pro football. With the approval of the state board, we granted Baugh that permission and notified him that he must be back on his ranch by October 1 or he would be put in 1A. Pro football is not an essential occupation."
The Washington team, scheduled to play six games after November 1, is built around the

FOOTBALL COACH

By HUGH FULLERTON JR.
NEW YORK, Sept. 22 (AP)—There's no reason to attribute historic greatness to Lee O'Neil, in view of the times "ko by" appears in his record, but the mere fact that he's going in as a last-minute substitute for Joe Baksi against Tami Mauriello at the Garden tonight leads the old-timers to recall a number of fighters who started on the road to fame as substitutes. . . . Lou Nova, for instance, got his big chance when he flew east to substitute for Bob Pastor, who inadvertently chopped his leg instead of a log while training to meet Gunnar Barlund. . . . Lew Jenkins got his New York start as a sub, and Chalky Wright, who came east as Henry Armstrong's chauffeur, went on as a replacement and knocked out a bright prospect named Al Reid. . . . Then there's the classic case of Willie Ritchie, who substituted for Freddy Welsh against Ad Wolgast in 1912 and won the lightweight title.

FRIEND OR ENEMY?

Clemson college, which is mighty proud of its new football press box (all the conveniences you'd like to have at home) issued ticket No. 1 to "Scooper" Latimer, sports editor of the Greenville, S. C., News-Times. . . . Norris Dean, Georgia Tech scout, was dealt ticket No. 13.

HISTORICAL ITEM

This note was penned by an unidentified baseball expert in 1903: "American league critics are sprinkling ice water under Connie Mack. With his team hardly having a chance to finish in the first division, he'd better watch out that he doesn't slip."

Seattle Catcher Will Go to Phils

SEATTLE, Sept. 22 (AP)—Hal Spindel, heavy-slugging catcher of the fifth place Pacific Coast league Seattle Rainiers, will perform for the Philadelphia Phils of the National league next year.
Picked up by Seattle late in the year, Spindel led the coast loop in batting with .355 although not participating in sufficient games to get title recognition. He is the second Rainier to be sold to the majors this year—Al Libke being peddled to the Cincinnati Reds several weeks ago.
Seattle will receive two players and an undisclosed amount of cash in the transaction.

THE DALLES, Sept. 22 (AP)—Bound and weighted with a zippered bag full of rocks, the body of a man tentatively identified as Henry Louis Brewer was recovered from the Celilo canal last night, state police reported.
The body rose to the surface when the water was disturbed by a passing tug boat. The feet had been bound by a shirt and the weighted bag was tied around his neck.
The body had been in the water 10 days, the coroner estimated.

Nope, OPA Doesn't Have Locksmiths

PORTLAND, Sept. 22 (AP)—"Listen," said a voice over the phone to a clerk at the Portland ration board, "I want a man."
"Sorry," the clerk replied, "we haven't any men on our ration list."
"But I just got to have a man," the feminine voice continued, "I'm locked out of my house and I need a locksmith immediately."
The clerk explained locksmiths are not handled by the ration board either.
"You're the OPA, aren't you?" she complained. "I thought this agency handled everything connected with rent and housing problems."
