PORTLAND, Sept. 27 (P) —
The west coast lumber commission, war labor board fact-finding unit, reported today that decisions on Oregon disputes have been released.
The collective bargaining contract of the IWA-CIO and the Lamm Lumber company, Modoc Point, was reinstated, effective April 1, 1944, except for the maintenance of membership proposition, which dates from the time the union was certified in May. The industry members dissented. (The Lamm Lumber company is closing its operations.)
