

SEED SPUD PRICE CEILINGS FIXED

PORTLAND, Oct. 6 (AP)—Ceiling prices for the 1944 crop of Oregon and Washington certified and war approved seed potatoes will be the same as last year, the Portland district OPA food price division said today.

Under the regulations, OPA explained, a shipper is permitted to charge the actual cost of transportation when a common, contract or other carrier for hire is used.

Prices on Oregon's 1944 crop through December, FOB, the farm per hundred pounds, sacked, follow:

	Oct.	Nov.	Dec.
Malheur Co.	\$3.15	\$3.25	\$3.35
Curry, Jackson, Josephine, Klamath, Lake and Harney Co.'s.	\$3.30	\$3.40	\$3.50
Other Oregon counties	\$3.25	\$3.35	\$3.45

Personalized Checks Available at Bank

"Personalized" checks, bearing the name and address of the depositor, are now available to patrons of the local branch of the United States National bank, according to G. C. Blohm, manager.

As a container for the checks, the bank provides a folder bearing the name of the depositor stamped in one corner. Blohm also advises that a small charge will be made for this new service.

WHEAT

CHICAGO, Oct. 6 (AP)—Grain futures markets turned weak in the final hour of trading today and prices broke sharply.

All markets were fractionally lower at the start, then held steady in a dragging trade until near the close. The demand was down substantially from recent sessions.

The wheat market was without the support mill buying had provided earlier in the week. Purchases by a professional trader at mid-session apparently were to cover short lines.

Until the late bid rye had moved in a narrow range. Short covering caused a rally in oats but prices later settled back with the other grains.

At the close wheat was 1/2 to 1 1/2c lower than yesterday's finish. December \$1.65-1.64 1/2. Corn was 1/4 to 1/2c lower. December \$1.12-1.11. Rye was down 1/4 to 1/2c. December \$1.06-1.05. Barley was off 1/4 to 1/2c. December \$1.03.
