### Serpent To Woman

SCENE — Garden of Eden. Said the serpent to Eve—Did God say there was one certain tree in the Garden of which you must not eat?

Quite so, said Eve and if I even touch that one tree we shall surely die.

You shall not die said Satan. You shall not die. Looking back on this moment, Christ named Satan the Father of Lies. When he speaketh a lie, he speaketh of his own, for he is a liar and the father of it. So said Christ of Satan and of this first lie. John 8:44.

So, being tempted of Satan, Eve took of the fruit of the tree, then she gave to Adam, who ate of his own free will—not being solicited by Satan.

Already God had told them to increase and multiply and replenish the earth. Now as children were born to them, these came with Adam's fallen nature. He was ruined by the fall and in Adam all die. Wherefore as by one man Adam-sin entered into the world and death by sin; and so death hath passed upon all men, in that all have sinned. Romans 5:12.

NOW THE MIRACLE—From the ranks of the fallen sons of Adam, God is calling out a people for his name, ONE—God blots out their sins—Christ died for our sins. And God writes eternal righteousness on their page. Also he breathes his own life into their souls. In a world dead in trespasses and sins, here is new life.

TWO—For the next sixty minutes, I give my hands, my feet, eyes, thought and heart to Christ to do with as He wills. Yielded utterly to Him, He is to use me to the glory of God. Yes, I make Christ the Lord of my life for the next sixty minutes and the next and the next. For all my days, I make Him the Lord of my life. And He pledges never to leave me nor to forsake me. Truly, believe on the Lord Jesus Christ and thou shalt be saved.

### Political Topics Timely for Program

### Political Topics Timely for Program

Sunday, October 8, marks the opening of National Business Women's week, when the 1662 Business and Professional Women's clubs of the 48 states, Hawaii and Alaska stress their aims and ideals through appropriate programs and other activities.

First on the schedule of the Klamath Falls club will be church services Sunday morning when members are requested to meet at the corner of Ninth and Pine at 10:30 o'clock to attend the First Christian church.

On Sunday afternoon from 3:30 until 5:30 o'clock, a silver tea will be held at the home of Mrs. Marshall Cornett, 2043 Lavey, to which all members of the club are invited. The national week tea is always one of the outstanding affairs of the club year and is anticipated by many who have attended in the past. Mrs. Cornett is chairman, assisted by Jean Rawlins, Dena Backes and Grace Kintgen.

Mrs. Rawlins, public relations chairman, who is in charge of arrangements for the coming week, also planned several radio talks, the dates and time to be announced later.

Last Monday evening's dinner topic, "Are We Politically Literate?" was in charge of Isabel Brixner who stated that heretofore women's groups have been regarded, politically, as babes in the woods and stressed that in order for women to obtain what they want in this field they must know "the facts of life about political procedure." Mrs. Brixner again reminded that women will probably cast the majority of votes in the November election.

Rose Poole, republican candidate for state legislature, followed up this last statement in her talk by stating that women have always had the balance of power since they obtained the privilege to vote, but they haven't used it.

Mrs. Poole urged that legislative bodies be referred to as "we," not as "they," for we are the government, and that it be kept in mind that representatives to the legislature and congress are put there by the people to represent them; therefore, voters should not hesitate about keeping them informed of their wishes. Mrs. Poole also asked parents to explain to children the process of voting and its privileges.

Lena Dennis of the League of Women Voters explained the amendment to the state constitution to be voted on in November, which will allow a change in county government to a manager form in which the administration of county government is under the head of one responsible person. She stated that it is the belief of the league that reorganization of county government will give more for the tax dollar and better administration.

Dorothy Revell, a former member of the local club, daughter of Mr. and Mrs. Charles Revell of Langell valley, told of the Bus-Pro club at Anchorage, Alaska where she is now employed. A letter was read from Marycarol Jones, formerly of this city, who is now in hospital work in the South Pacific.

Dena Backes discussed the proper procedure in the introduction of guests, with Stella Bowne giving an illustration of a wrong introduction. Mrs. Cornett told of a visit to the Prineville BPW club.

On Mrs. Brixner's committee were Stella Myers who assisted with the colorful autumn decorations, Maude Melton and Rose O'Leary.

"Are We Part-Time Citizens?" is the topic for the next meeting on October 16, with Elen-
