

Market Quotations

NEW YORK, Oct. 7 (AP)—Buyers again concentrated on specialties in today's brief stock market while many recent leaders still suffered moderately from light profit taking.

Merchandise stocks were in front from the opening on. A few rails and coppers did better without much activity. A number of highs for the year were in evidence. Turnover for the two hours was around 400,000 shares.

Touching 1944 peaks were Gimble, Woolworth, Washington Pump, Consolidated Cigar and Kennecott. Ahead most of the session were Marshall Field, Macy, Southern Pacific, Sears Roebuck and Tru-Con Commercial Corp. Heaviest were U. S. Steel, Bethlehem, Continental Motors, Great Northern and Goodyear. Bonds were narrow.
