

# WIND DRIVE INCREASED BY RECENT GIFTS

Klamath county's war chest combined community fund continued to swell today, with people mailing in contributions in response to appeals of last few days.

People are urged to send their contributions to 323 Main street, campaign headquarters, if not normally solicited. The fund now totals \$15,000 from 11,000 contributions, but campaign goal is \$65,000. Campaign officials said the goal can be reached if people who have reached so far will match the contribution of others who have.
