K-Men Resort to Aerial Attack for Both Scores

Rollie Berry Heaves Touchdown Passes To Biehn, Thurman For Only Counters

By PAUL HAINES
Resorting to an aerial attack to mark up their touchdowns, the Klamath Pelicans won themselves a whoopee-dooper of a ball game over an aggressive and determined Cavemen eleven, 12-0, last night before a crowd of 2600 enthusiastic fans at Modoc field.

The green light was on all the way for the K-men in the second and final stanzas when Rollie Berry heaved passes good for touchdowns. The first came in the closing minutes of the second stanza with Biehn taking a 10-yard toss from Berry on his own 30 and meandering 70 yards behind fine blocking for the first score of the game. Jim Palmer was sent in by Coach Marble Cook to attempt the conversion but his place-kick was no good. The Cavemen were penalized for roughing the picker and Palmer was given a second try, but this also failed.

The second tally was chalked up in the final frame on another pass from Berry, this time to Chuck Thurman, right end, and accounted for 35 yards of pay-dirt. Palmer's kick was low and wide.

A Pelican touchdown was nullified on the opening play of the game when Rebel kicked off to Perkins, who started to his own right but lateraled the ball to Redkey on a reverse and the speedy right half galloped 80 thrill-packed yards to the Grants Pass goal. The Pelicans were offside offensively on the play, however, and the play was called

Caveman Dragged Down on Plunge Through Line

Frank Burdell, Grants Pass back, is nailed by Wirth in a play occurring in the second quarter of last night's fracas. Klamath players shown by number and position: extreme left, Perkins, (3) Biehn, (14) Vanderhoff.

NIMROD NOTES

The boys from the barracks are going after a little different type of game nowadays than they have been pursuing in the past. Instead of the Willy Jap, the boys will be after the wily birds reported to be so prevalent throughout this sector this season. About the only difference is that the boys haven't any scores to settle with the birds.

Any man in the service can obtain a resident license by the simple method of applying for it at any one of several local sporting goods stores. The Marine Barracks has procured its first allotment of 30,000 shells and has authority for an additional 30,000 if release from jobbers can be obtained. These shells may be bought at the post exchange by men with a permit from the recreation officer, who governs the distribution of ammunition.

Guns for the gyrenes are on the way but have not arrived as yet, so friends are either loaning the boys a fowling piece or they are renting them from downtown stores.

Quite a few of the fellows are reported to be going out, and woe be to the ducks and geese when these sharpshooters cut loose. It was tough on the Japs, too!

Grant Still Undefeated For Season

Powerful Generals Trample Franklin 26-13; La Grande Hands Pendleton 37-7 Loss

By The Associated Press
The column of undefeated Oregon prep grid teams thinned out today, but the powerful La Grande Tigers and the defending state champion, Grant of Portland, stayed firmly on the list.

Bend's Lava Bears, victorious in their first four starts, tumbled to Eugene last night (Friday), 13-6. The game, however, does not count toward the district title.

La Grande steamrolled Pendleton, 37-7, to keep the Buckaroos in the cellar of the Blue Mountain league. Milton-Freewater's Mac Hi moved out of the league to defeat Clarkston, Wash., 14-13 in an inter-state tilt that saw all the scoring packed into the final quarter.

In the Portland league, Roosevelt continued threatening to break its past record as a perennial also-ran by defeating Commerce, 33-7, for its fourth straight victory of the season. Grant, Portland's other unbeaten squad, romped over Franklin, 26-13. Benson and Lincoln played to a 0-0 tie, and Washington edged Jefferson, 6-0.

Albany's unbeaten Bulldogs remained on the No-Name league's pedestal by defeating Oregon City, 7-0. Corvallis defeated the Salem Vikings, 13-6 in another No-Name tilt.

University High of Eugene halted Junction City, 7-0, in one of four initial Tri-County league tilts yesterday. Toledo kept its top spot in the Lincoln County league with its third straight conference victory, 19-7 over Waldport.

Clippers Win Over Bombers

SEATTLE, Oct. 14 (AP)—Two third quarter passes from Kenny Washington, former UCLA colored flash, to Quarterback Carl Britschgi and Fullback Bill Robbins, for a total of 59 yards put the San Francisco Clippers on the Seattle Bomber two-yard line in position to score two final period touchdowns for a 13-0 American Professional league victory last night.

On the first play of the fourth quarter, Washington crashed over for the first score of the game. Jack Mukey, Clipper end, intercepted a pass from George Karamatic and went 41 yards for the second and final score of the contest 10 minutes later.

The Californians meet the Portland Rockets in Multnomah stadium Sunday.

PORTLAND—Kenny LaSalle, 129, San Francisco, dethroned Leo Turner, 163½, Portland (10).

WILL YOU TAKE ONE LAST LOOK...TOO SOON?

There have been a lot of farm sales in this locality in the last couple of years. Just count up the number of farmers you know who have given up their places... given them up during the best opportunity in their lives for making real money. Why?

Run over in your mind, once more, the list of farmers you know who have retired. Didn't most of them quit just because they were physically unable to go on any longer? They were hard workers, but they had worked too hard for too long.

Many men past sixty right around here have found a way to add years to their active career on the land. They are using the Ford Tractor with Ferguson System. They have done away with back-breaking labor.

Implements attach to their tractors so easily their six-year-old grandsons can actually put implements on or take them off. Hands that have years of hard work written on them now move a little finger tip lever that sets, raises or lowers ground tools.

While their work is easier, they are getting more done, and they are doing it at far less cost. Most important, they are continuing to live the kind of life they want to live.

The next time you are going by our place of business stop in for a few minutes and let us tell you about the important features of the Ford Tractor with Ferguson System and Ferguson Implements...the modern farm equipment that will add years to your active life on your farm.
