

# GOP, Demos Claim Party Victories in Five Border States

By The Associated Press  
Republican and democratic congressional leaders alike said today that the border states—Alabama, Missouri, Kentucky, Maryland and West Virginia—were going their way.

By these contrary estimates—by Dewey (D-Va.) and Rep. Beck (R-Ind.), chairman of the congressional campaign committee—came into the presidential campaign calculations with this report from Michele, Washington.

## R Appeals For Contributions to War Chest Fund

WASHINGTON, Oct. 18 (AP)—President Roosevelt in a nationwide radio appeal on behalf of war fund drives said today that larger contributions to community war funds represent "democracy at its best."

"I am confident there is no let-up in the nation's unity. Through war fund donations, we send a token of our personal friendship to brave victims of brute slavery and to those who have so borne the burden of fighting this war."

## Supplies to Pacific Front 'Miraculous,' Reports Gen. Rilea

LEWIS, Oct. 18 (AP)—Transportation supplies to United States forces fighting in the South Pacific has been little short of miraculous, Brig. Gen. T. A. Rilea, former assistant commander of the 41st division, reported today.

"When you realize that much of these supplies had to be shipped through the jungles on backs of native carriers being flown in by plane and loaded by trucks and jeeps in terrain that has never been seen before, you will see what I mean."

## Shipping of Tokyo Attempts Jap Crimes

ATLANTA, Oct. 18 (AP)—A group of Catholic missionaries said today they were abducted by Japanese overboard until the first American landing in Tokyo.

"things are going mighty well" in this year's campaign, but Dewey said his mail shows democrats are the ones who are happy about the border states situation. They likewise disagreed about who is going to control the house of representatives in the next four years.

Another pair who disagree—President Roosevelt and Governor Dewey—aimed their next blows at the foreign policy level.

**Dewey Speaks**  
The republican presidential nominee will speak tonight at 6:30 p. m. PWT (Blue network) on "This Must Be the Last War." He is on the program of the New York Herald Tribune forum.

Mr. Roosevelt, who is to speak next on Saturday night, indicated to his Tuesday news conference that he would talk about people who he said are trying to stir up dissension over relatively minor details of the proposed world peace organization rather than keeping the grand objective in view.

Other samples of political disagreement: Senator O'Mahoney (D-Wyo.) said in a statement at Washington that not until October 6 did Dewey, as governor, start looking for postwar expansion information for New York businessmen.

**"Reactionary" New Deal**  
Gov. John W. Bricker of Ohio, Dewey's running mate, said in a San Diego speech that the new deal "is not a people's government. The power it exercises has already proved shackles for the liberties of people. That is why the new deal is reactionary—not liberal."

Senator Truman, running for vice president with Mr. Roosevelt, declared in San Francisco that Dewey has distorted the findings of the Truman senate war investigating committee and thereby practiced "political chicanery" unworthy of a man "running for the highest office in the land."

**"Destructive Force"**  
In a Chicago speech, Senator Bridges (R-N.H.) talked of the CIO political action committee headed by Sidney Hillman as "the Hillman gang" and said this group of fourth term supporters is the "most destructive force that has yet appeared on our political horizon."

Democratic Chairman Hannegan said in a news conference statement at New York that "Governor Dewey's brain trust apparently has no more ideas" and therefore Dewey in his St. Louis speech Monday night "repeated his falsifications on what he calls the Roosevelt depression and the demobilization program of the army."

Republican Chairman Brownell, commenting on yesterday's disclosure that Mr. Roosevelt will give a ball park speech in Philadelphia October 27, said that "the jitters in the democratic high command seem to have reached up to the White House."

Mayor Kelly of Chicago told a group of Roosevelt supporters they could assume the president also will speak there before the election.

The socialist candidate for president, Norman Thomas, said in a New York broadcast that President Roosevelt, Stalin and Churchill are playing "the old imperial game of power politics."

Senator Pepper (D-Fla.) told a democratic rally in Oberlin, Ohio, that Dewey is "now revealing himself as the brilliant and tricky lawyer trying to win the government of this country away from the people for big business."

Tonight's radio program includes a speech by Rep. Dirksen (R-Ill.) at 5:15 p. m. and a five-minute talk at 5:55 p. m. PWT (NBC) by Josephus Daniels, Raleigh, N. C. publisher.
