

HEARINGS SLATED ON AIR ROUTE HERE

SEATTLE, Oct. 19 (AP) — Air service from Seattle to the east coast will be speeded up one hour and seven minutes if the civil aeronautics board approves United Air Lines' proposal to link Seattle and Tacoma with Yakima, at hearings in San Francisco November 1. Willis Camp, district traffic manager, announced today.

Eliminating stops and adding Seattle to the route would shorten the distance to Boise, Denver, Chicago, Cleveland, Washington, Philadelphia, New York and Boston by 112 miles.

At the San Francisco hearings, United's applications for service to the following cities in the Pacific northwest and California will be heard: Olympia, Aberdeen, Hoquiam, Chehalis, Centralia, Astoria, North Bend, Marshfield, Bend, Klamath Falls, Walla Walla, Lewiston, Clarkston, Baker, Boise, Twin Falls, Gooding (the gateway to Sun valley), Ogden, Eureka, Santa Rosa, Chico, Sallinas and San Luis Obispo.

President of Crater Lake Co. Resigns

Word has been received from the superintendent of Crater Lake National park that R. W. Price, president of Crater Lake National Park company, has resigned on orders of his doctor, because of ill health.

Charles W. Fyock, his son-in-law, who has served as vice president of the company for the past several years, was elected to the presidency on September 19.

Price will continue his interest in the operations of the Crater Lake National Park company, in providing meals, lodging, transportation and other public services at Crater Lake National park, but will hereafter be relieved of all details of management.

Fyock, who has served in the U. S. navy for the past seven or eight months, received his discharge about a month ago, and he has returned to his former position as assistant general manager of Vanport City, near Portland, under the U. S. housing authority.

NEW kind of ASPIRIN tablet doesn't upset stomach

WHEN you need quick relief from pain, do you hesitate to take aspirin because it leaves you with an upset stomach? If so, this new medical discovery, SUPERIN, is "just what the doctor ordered" for you.

Superin is aspirin plus—contains the same pure, safe aspirin you have long known—but developed by doctors in a special way for those upset by aspirin in its ordinary form.

This new kind of aspirin tablet dissolves more quickly, lets the aspirin get right at the job of relieving pain, reduces the acidity of ordinary aspirin, and does not irritate or upset stomach after repeated doses.

Tear this out to remind you to Superin today, so you can have your hand when headache, cold, or fever strikes. See how quickly it relieves pain—how fine you feel after taking. At your druggist's, 15c and 39c.
