

Heuvel Asks Voters To Be Guided by Facts, Not 'Bunk'

Earl Heuvel, Klamath Falls police chief, declared today that it seems that several candidates for mayor "will again attempt to capitalize politically upon the department," and suggested that voters be guided by "facts and not political bunk."

Heuvel submitted a chart along with his statement indicating activities of the department in the past few years.

Here is the chief's statement: "The police department of this city has been a political football for many mayoral aspirants in the past, and it seems several candidates will again attempt to capitalize politically upon the department at the coming election. I have served on the police department under three administrations and hope the voters this time will ask for facts and not be guided by political bunk."

"Since I have been appointed chief of police, the departments' duties have been greatly increased by assuming control of the sanitation department and the city dog pound. Chart No. 1 herewith shows the increase in our duties. We have faced this situation with a huge turnover in manpower and yet the department has maintained a high degree of police efficiency. It takes several years to properly train a police officer. Under existing conditions we haven't had that time nor a sufficient number of men to train."

"Traffic problems have greatly increased in this community, yet the following awards and recognition has shown an alertness by our department."

"The office of police chief in Klamath Falls is no bed of roses. Several months ago, I submitted my resignation to the city council—they unanimously requested that I serve for the completion of the present administration. Let me clearly state now that my feelings will not be injured in the least if the new mayor does not see fit to retain me, and to further state that while I am your chief of police, I will make every effort to enforce the law and reduce crime in this city. The accompanying charts are based on facts alone and speak for the record of our department better than anything I can say."

"EARL HEUVEL
"Chief of Police."

Support of Hillman Denied by Morse

LA GRANDE, Oct. 20 (AP)—Denying that he is Sidney Hillman's candidate, Wayne L. Morse, republican senatorial candidate, said here that statements about the CIO political action committee attributed to him at Ontario were not accurate.

"I simply have the confidence and respect of all Oregon's labor organizations, and I am proud to have it," he declared. Morse said that conservatives in the Oregon CIO saw the necessity of a man standing on his ticket and being judged by his record and not by any label.

Jimmy Webb Leaves Valley Hospital

Jimmy Webb, 6th grader at Altamont and son of Mr. and Mrs. Percy B. Webb, 2915 Altamont drive, was able to leave Klamath Valley hospital Wednesday where he was being treated for injuries received while on play equipment. Mrs. Webb and her infant son were also in Klamath Valley at the time Jimmy was injured. They returned home Thursday morning.

ROAD GROUP TO ACT ON WAGE REQUEST

SALEM, Oct. 20 (AP)—The state highway commission at its meeting in Portland next Monday and Tuesday will consider the State Federation of Labor's request that future highway contracts contain provisions for payment of prevailing wages, the commission said today.

The commission also will open bids on five small projects. Other business to be considered by the commission includes: Discuss requests by railroads for permission to erect non-standard stop signs at railroad crossings.

Adopt a policy on construction of waiting stations on highway rights-of-way.

Adopt a policy on the sale of obsolete equipment and scrap.

Designate highway officials to attend annual meeting of American Association of State Highway Officials at Cincinnati, Ohio, November 27-30.

Consider request by Douglas county court for state assistance in maintaining county roads, and for designation of North Umpqua county road as a state secondary highway.

Consider engineer's report on cost of widening portions of Coos Bay-Roseburg and coast highways to permit movements of 60-foot truck and trailer combinations.

Aug. Lumber Output Increased, Report

WASHINGTON, Oct. 20 (AP)—The war production board today estimated August lumber production at 3,208,339,000 board feet, an increase of 12.8 per cent over July.

The increase, general throughout the country, was attributed largely to good weather conditions and a normal seasonal shift of farm workers to the woods in eastern lumber regions.

Production for the first eight months of the year totals 22,406,421,000 board feet, 2.4 per cent below the same period in 1943.

Building for USO Center Program

This picture shows the Arcade garage building, Ninth and Walnut streets, which has been set aside for the proposed USO center development here. Tentative plans for an extensive remodeling program have been prepared and are awaiting final authorization. USO officials are expected here Tuesday to work out further details of the USO activities here in behalf of service personnel.

CCC SETS DEADLINE ON WOOL SHIPMENT

WASHINGTON, Oct. 20 (AP)—The commodity credit corporation will accept all pulled wool from animals slaughtered in 1944 if the wool is tendered before February 15, 1945, Senator O'Mahoney (D-Wyo.) announced last night.

O'Mahoney, chairman of the senate special wool committee, said he had been advised earlier that slaughterers threatened to reduce prices paid for fat lambs if they could not dispose of their wool within the slaughtering season. The CCC previously was to terminate its purchases on December 31.

The Wyoming senator also announced he had been given assurance by Price Administrator Chester Bowles that the lamb ceiling would be surveyed with a view of making adjustments to compensate for higher operating costs.

Dynamite, Not Quake, Felt by Portlanders

PORTLAND, Oct. 20 (AP)—The "earthquake" that Portlanders felt yesterday was nothing, but nine tons of dynamite exploding at Rocky Butte county jail.

The prepared blast upended 25,000 cubic yards of mountain rock, Sheriff Martin Pratt said. It shook some sections of the city, and a woman at N.E. 52nd avenue and Sady boulevard was bounced to the floor from her chair.

LICENSE REVOKED

PORTLAND, Oct. 20 (AP)—The Oregon liquor control commission today revoked the package store bottled beer and wine license of the Baker Vintage company, Baker, for sale and delivery after 8 p. m.

The commission suspended for 30 days the license of Eugene Earl Erb, Route 2, Forest Grove, for sale to a minor.

FERGUSON APPOINTED

SALEM, Oct. 20 (AP)—Appointment of the Rev. David J. Ferguson, pastor of the Presbyterian church at Astoria, as Oregon state guard chaplain was announced today by Acting Adjutant General Ray F. Olson.

Ferguson will have the rank of captain.

An unlooked-for annoyance that followed the blitz bombing of cities was the invasion of flies around all blown-up food stores.

DPC DISCLOSES OREGON PLANTS FOR DISPOSAL

WASHINGTON, Oct. 20 (AP)—An advance list of industrial plants and sites to be disposed of by the defense plant corporation after they have been declared surplus has been announced by the reconstruction finance corporation.

Although most of them are now being used for war production, the RFC said it would negotiate at this time for their sale or lease subject to contingencies of present contracts and length of time plans will continue in war use.

The list includes 14 for Oregon, as follows:
Air Reduction Sales Co., Portland; Aluminum Co., of America, Troutdale; Approved Flax Co., Eugene, Ore.; Iron Fireman Manufacturing Co., Portland; Krome corporation, Marshfield; Northwestern Ice & Cold Storage Co., Portland; Pacific Chain & Mfg. Co., Portland; Radio
