Why Does the Church Exist?

To many, the church is just another of the hundreds of institutions in the world. Most men recognize it, however, as being an institution for the betterment of humanity, both physically and spiritually. But how many realize and give due credit for its work which is both time and eternity? Not only does it teach men know God and how to be saved, but it teaches us how to live happily in this present world.

THE CHURCH IS A LIGHT.
Jesus said, "Ye are the light of the world. A city set on a hill can not be hid. Neither do men light a lamp and put it under a bushel, but on the stand; and it shineth to all that are in the house. Even so let your light shine before men; that they may see your good works, and glorify your Father who is in heaven." Matt. 5:16, 17.

IT IS THE PILLAR AND GROUND OF THE TRUTH.
Paul, the apostle wrote, "... the house of God, which is the church of the living God, the pillar and ground of truth." (1 Tim. 3:14.)

The responsibility of preaching the gospel and teaching lost humanity the way of salvation rests upon the church. It is an institution composed of saved individuals whose ambition in this life is to save those who are lost. Without the church there would be none to teach the Way of the Lord. Without the teachings of the Bible men would become bestial, selfish and degenerate.

IT IS AN ORGANIZATION WHERE THE SPIRITUALLY MINDED CAN ENJOY CHRISTIAN FELLOWSHIP WITH ANOTHER AND WITH THE LORD.

Indeed, it is a blessing and a great source of strength to be constantly associated with those who are trying to do the will of the Lord. The church of the first century continued steadfastly in the apostles' teaching and fellowship, in the breaking of bread and the prayers." (Acts 2:42.)

A cordial invitation is extended to all to attend our services and study the Bible with us.
