CORD JUNIPER TREE DISCOVERED

VIEW — What is believed to be the largest western tree in the state has been located in the northern part of Lake County, not far from Lakeview, according to Oliver Matthews, Salem, Oregon, "botanical tramp." The tree is 66 1/3 inches in diameter at breast height and at feet above ground measures feet 4 1/2 inches around and approximately 96 feet high. Matthews is submitting with the tree measurements to the American Forestry Association as a candidate for one of the largest trees in the world.

It is believed that the juniper tapped some underground water, for on the side of the tree is a large pool of grass.

Sprague River

William G. Wolford, S 1/2 R.M., is home on a leave from reporting at Shoemaker, Calif., on October 21. He has completed a course at the naval radio school, Farragut, Idaho.

The Children's church group of the Sprague River tabernacle, with their parents, went on a picnic Sunday afternoon, October 15. There was a picnic lunch, hiking and some sports. The event took place at Castle Rock. The pastor's sister, Vera Hamilton, was in charge. The adults attending were Rev. and Mrs. Hamilton, Mr. and Mrs. Hill, Mrs. Roper and Mr. and Mrs. Hagan. There were 30 attending.

Monday evening the members of the Friends church gave a farewell party for the Watson family, who are moving to a ranch near Salem.

Pvt. Owen Riddle is home on a 21-day furlough. He has been stationed in the Aleutian Islands. He will return to Camp Swift, Texas.

Eugene Runnels is here to make his home with his father, W. J. Runnels, and Mrs. Runnels. He has been in the coast guard for about three years and was recently returned from the Aleutian Islands. The Runnels family is well represented in the service, Gene having four more brothers in the service, in France, San Diego, Texas and Pensacola, Fla.

Segregation Center To Make Own Bread

TULELAKE—Beginning this week all bread consumed by residents of the Tulelake segregation center will be produced in the recently completed bakery and purchased from outside sources will cease. It has been announced by Raymond Hayward, chief project steward.

To meet demands of the mess halls, the bakery will produce 4000 loaves daily. Pastries for the center will be made Friday and Saturday of each week.

Hayward also stated that observance of meatless days in the center has been changed from three to two days per week.

Gunderson Promoted A WRA Center

TULELAKE — Appointment of Martin Gunderson as acting assistant project director of community management in the Tulelake segregation center was announced this week by the WRA. Gunderson formerly acted as principal of the high school in the center.

Assistant Project Director Harry L. Black has been transferred from community management to administrative management, succeeding James Wells, who left this week for Rohwer Center, Ark., where he will be in charge of administrative management.

Mr. and Mrs. Williams Yeager and small daughter have moved from Springfield to Lakeview, where Yeager will take over the duties as signal maintainer. The Yeagers were formerly Cascade Summit residents.

SEAL HAREMS — Seal seals establish their harems at the age of 4 or 5 years. A harem may consist of two to a dozen males, although 13 is believed to be the average number. Seal seals are taught to swim at the age of six weeks, and become experts in less than a week.

WHEN CALLING WAR-BUSINESS CENTERS
Sometimes you may hear the Long Distance operator say—"Please limit your call to 5 minutes." That's to let you know that the lines are crowded.

Testboard Man is working day and night in Telephone Central Offices to keep telephone service work smoothly.
It is amazing what he can do. There should be any trouble on the lines, special instruments help him locate it within a few yards—even though it is miles away from the testing station.
This saves hours of search by line crews. That's more important than ever these war days.

This community was shocked to hear of the passing of A. M. Crystal Sunday. He had been in poor health for quite a while. He and Mrs. Crystal have resided here for a number of years and he was a wonderful gardener, supplying the community with fresh vegetables and plants from early spring until late autumn. He is survived by his wife, one son of Ashland and a daughter of California.

Martin Snyder went duck hunting over the weekend. R. H. Anderson was a business visitor in Idaho last week. The Hukell family moved back to Bakersfield, Calif., last Thursday after residing here two months while hauling potatoes.

A lot to do with Apples!

NO ONE NEEDS a recipe to enjoy a good eating apple, whether the occasion be Halloween or just any day at all. But for apples that are better when cooked, here are appetizing suggestions.

GLAZED BAKED APPLES
(These are the kind you get in fine restaurants—but there's nothing complicated about preparing them): Wash 6 large baking apples, remove blossom ends, and core about 2 inches deep. Fill each cavity with 1 or 2 tbsps. sugar, dash of cinnamon and nutmeg. Place in baking dish, with small amount of water. Bake in moderate oven (375° F.) about 45 minutes. Make syrup of 1 cup sugar and 1 cup water; boil 5 minutes. Remove cover for last 15 minutes of baking, and baste frequently with syrup. Serve warm or cold, with cream or chilled custard sauce.

And if you like apple sauce in full, crystal-clear pieces, then try this recipe for

CATSUP APPLES
Core, but do not peel cooking apples. Cut in half crosswise, and place in baking dish, cut side up. Top each half with 1/2 tsp. catsup and 1/2 tsp. butter or margarine. Add enough water to cover the bottom of the dish. Bake in moderate oven (350° F.) for about 30 minutes. Just before serving, turn the cut sides of the apples down, to absorb the juice.
