Rain, Weather, FDR Affect Broccoli Crop, Believes Republican

ROSEBURG, Ore., Oct. 28 (AP) President Roosevelt need expect no election help from Douglas county broccoli growers, says C. E. Moyer, vice chairman of the county republican central committee. Moyer has been canvassing farm areas to urge republican voters to go to the polls November 7.

"We are sure of the votes of the broccoli growers for Dewey," Moyer asserts. "Every presidential year that Roosevelt has been elected there has been a complete failure of the broccoli crop. But there has been a bumper crop every time we elected a republican president."

Repeal of Clause Defeated by IWA-CIO

VANCOUVER, B. C., Oct. 28 (Canadian Press)—A proposal to repeal a clause in the constitution of the International Woodworkers of America (CIO), barring persons with communist, nazi or fascist party affiliations from membership was defeated overwhelmingly yesterday. Final vote was 27,914 to 19,957.

The repeal proposal followed action by the convention delegates Thursday in which it was recommended that W. W. Wallace of Bellingham and Ralph Nelson of Sedro-Woolley be expelled from the international on the basis of alleged membership in the Communist Political association.

Portland Editor Dies Suddenly

PORTLAND, Ore., Oct. 28 (AP) Harry S. (Skipper) McNutt, 46, assistant editor of the editorial page of the Oregon Journal and longtime marine editor of the paper, died suddenly at his home near here last night.

WHEAT

CHICAGO, Oct. 28 (AP)—Grain futures markets were firm at the start today but the upturn brought out increased offerings and all prices turned downward with rye and corn leading the decline. The trade was light and featured evening up of positions in preparation for the weekend.

The highly speculative rye trade quickly was affected by weakness of the corn market and peace talk stemming from reports that Bulgaria may quit the war and Japan is considering another change of government.

At the close wheat was ⅛ lower than yesterday's finish, December $1.63⅞. Corn was off ⅝ to ¾, December $1.11⅝. Oats was down ⅜ to ½, December 66c.

Market Quotations

BY VICTOR RUBANK

NEW YORK, Oct. 28 (AP)—Selective recoveries continued to dominate today's brief stock market proceedings although demand was light throughout and many leaders failed to register in the plus column.

Transfers ran to around 300,000 shares. Grumman aircraft hit another 1944 peak but eventually slipped from its best level. Explanation for part of the recent strength of this climber was seen in the company's six-month statement disclosing net of $10.18 per share against $3.34 in the like period last year. It was not overlooked, however, that results were before renegotiation of government contracts.

In front most of the time were Santa Fe, Southern Pacific, Great Northern, General Motors, Bethlehem, Texas Co., Panhandle Producing, Douglas Aircraft, Kennecott and J. C. Penney. Backward were Anaconda, Electric Power & Light, Deere, Air Reduction and Phelps Dodge.
