

Leathernecks Underdogs For Grid Tilt Saturday

Coast Guard Pilots Boast Impressive Record With Wins Over Strong Teams

When the Leathernecks take on the Coast Guard Pilots from San Francisco on Modoc field Saturday after a 2 p. m. they will be in for a real test as the Pilots have thoroughly shelacked the Fairfield-Suisun Sky-masters, 40 to 6, the California Ramblers, 33 to 6, and last Saturday, the Camp Beale Bears 25 to 6.

The Pilots have a strong line which averages 204 pounds per man and is sparked by three men well over 200. Erick Roberts at 210, Joe Ramano, 215, and "Link" Holmstrom, 235. This line held off the powerful Fleet City sailors from the goal for better than three quarters before the reserve strength of the sailors came into effect and they pushed over four scores to smash the Pilots 26 to 6.

A negro back, Tunnel, said to be equal to the highly-touted Kenny Washington, former UCLA star and presently one of the outstanding men in the Pacific coast "play for pay" league, is one of the mainstays of the Coast Guardsmen.

Tunnel was injured early in the season and Joe Haynes took over his position in the backfield and now is considered almost as effective. Haynes has led the Pilot passing attack, which has produced most of the Pilot scores. Both men are ready to give the Marines plenty of trouble this Saturday.

The Pilots have averaged 26 points per game, while the Marines have an average of only 9 and will come onto the field strong favorites to walk over the boys from the barracks.

In the four contests played so far, the Marines have garnered 36 points. LaPaglia, who was the first Leatherneck to mark the scoreboard, has two touchdowns, both on short plunges. Mahan and Padgen each have one from runs within the ten yard line. The other six-point

TALKING IT OVER

A small gathering of Quarter-backers met Monday at the Willard hotel to discuss the pros and cons of the past and future local grid forays.

In the absence of President Malcolm Epley, Dinty Moore took over the meeting and did a swell job.

Major Clyde Roberts, well-known mentor of the boys from the barracks eleven, was unable to be present to give any information regarding the marines' forthcoming tilt this Saturday with the San Francisco Coast Guard Pilots.

According to Sgt. James Christensen of the public relations department at the barracks, the Fairfield-Suisun Sky-masters, 40-6, the California Ramblers, 33-6, and last Saturday the Camp Beale Bears to the tune of 25-6.

These statistics bode ill for the gyrenes but the Leathernecks shouldn't be sold short as they have improved tremendously since their earlier games.

This will be the toughest tilt of the season for the marine eleven and a fine crowd is expected to witness a four-star ball game. Remember, that's this Saturday, November 4, at 2 p. m. at Modoc field.

Coach Marble Cook elucidated a bit on the Pelicans' clash with the Eureka Loggers Friday night. As usual, Marble didn't offer any alibis, but did state that the boys weren't in shape for the game, mentally or physically, after their fray with Medford.

The kids really went all out in that battle against odds with the Black Tornado and if they had played half as good a ball game against Eureka, there is no doubt but what they would have easily won.

Cook went on to say that with the loss of four of his key-men, namely, Perkins, Beckey, Wirth and Wilson, he was behind the proverbial eight-ball as the substitutes he put in just didn't have the stuff. At least, not this time.

The Klamath coach further stated that the boys just couldn't get up any fire during the contest, but promised the last game of the season with the Bend Lava Bears would be a different story.

Joe Peak, athletic director, announced that the freshmen-junior high eleven would tangle with Grants Pass there, Friday afternoon. In the first meeting between the two teams at Modoc field earlier in the season, the Klamath jads won, 25-0.

Paul Angstead, Wildcat coach, was called upon and said the Cats would meet Tulelake there Tuesday afternoon in their next game, and would then play a night tilt with Merrill Friday night under the lights at Modoc field.

The Wildcats have played some swell football this year and it is hard to understand why they have been given such little support from the townspeople. It is to be remembered that these boys are the future Pelicans and they deserve support as such. After all, they represent the same town and the same high school as their older colleagues, so why not turn out for the ball game Friday night and let them know we're behind them, too?

Army Voted Top Eleven In Country

Notre Dame Slips to Second Place In Poll; Ohio State Takes Over Third Position

By HAROLD CLAASEN

NEW YORK, Oct. 31 (AP)—Army is the top football team in the country by vote of 101 sports writers polled by the Associated Press and Randolph field ranks first among the service teams.

The West Point Cadets garnered 41 first place votes and collected an aggregate of 898 points, exactly 100 more than corralled by Notre Dame. The Irish were marked No. 1 on 15 ballots but were unable to retain their first place rank, a position they had held through 13 consecutive tabulations starting with the first of 1943.

In the over-all poll, in which both college and service teams were ranked, the two leaders were followed by Ohio State, Randolph Field, Georgia Tech, Navy, Iowa Pre-Flight, North Carolina Pre-Flight, Illinois and Michigan. Ohio State was first on 17 tickets and Randolph on 18, each thus surpassing Notre Dame in that department.

The strictly collegiate first ten, however, would be made up of Army, Notre Dame, Ohio State, Georgia Tech, Navy, Illinois, Michigan, Southern California, Indiana and Tennessee. The unbeaten but tied volunteers are in sixteenth place in the over-all tabulation.

Randolph Field heads a service ten that has Iowa Pre-Flight, North Carolina Pre-Flight, Fourth Air Force, Bainbridge, Md., Naval, Great Lakes, Norman, Okla., Navy, Second Air Force, Third Air Force and Camp Peary as members.

Fort Pierce (Fla.) Navy, an unbeaten and untied eleven, was the only other service club to draw votes in the fourth poll of the 1944 season.

A second college ten has Wake Forest, also unbeaten and untied, as the leader and followed by Mississippi State, Alabama, Oklahoma A & M, Pennsylvania, Tulsa, Virginia, Washington, Yale and Duke.

JOIN CAROLINA LEAGUE

DURHAM, N. C. (AP)—Durham and Winston-Salem were admitted to newly organized Class C Carolina Baseball league, making circuit eight-team affair.

play some spectacular games this year and they have played others, even more thrilling, away from home. Merrill is no soft touch for any ball club of their size and weight, so this tilt should be a hum-dinger.

Angstead went on to say that, seeing people wouldn't turn out to see a ball game free of charge, there would be an admission charge of two-bits for this one, and it will be many times worth it.

To wind up the session, Harold Shidler, who refereed the game Friday night, said that he thought the boys had done all right this year considering their lack of weight and experience. He went on to state that through the Wildcats and the freshmen-junior high teams, the Pelicans should have some real ball teams in future years.

Perhaps because of the break in weather for hunters, the meeting was not as well attended as usual, but there are hopes for a larger turn-out next Monday after the marine tilt.

Post-Season Game Between Western, Pacific Coast Conference Champs Talked

CHICAGO, Oct. 31 (AP)—Settlement of that age-old argument about superiority of Western conference football teams—perennially debated but never settled—now is proposed by a coach who has tutored players on both fronts.

Edward (Slip) Madigan, once mentor of the vaunted Gaels of St. Mary's of California, and now coaching at the University of Iowa, proposes a post-season game between the champions of the two circuits as a postwar plan, and he is getting a lot of support from other Western conference coaches and faculty athletic representatives.

Madigan made the suggestion at the weekly meeting of the Chicago "Wailing Wall" Monday, a "post-mortem" luncheon gathering of football fans who hear the praises—and excuses—that follow one of the important mid-west inter-collegiate games of last Saturday.

"Such a game would go a long way toward cementing the friendship of the two sections of the country," he said. "It also would do a lot toward settling the argument about football superiority of the two regions."

Coaches and faculty representatives of the Western conference were divided on the prospect. But there was a predominance of favor toward such a game in the postwar era when transportation

Doctor's Disclosure Of Fighter's Glass Eye Investigated

LOS ANGELES, Oct. 31 (AP)—The disclosure that Luther (Sluggo) White has a glass eye is being investigated by the state athletic commission, that agency has announced.

Dr. A. E. Edgerton, commission physician, discovered the artificial right orb of the Baltimore negro boxer during a

checkup in San Francisco Thursday. The commission immediately cancelled White's participation in a fight with Joyce scheduled for last night in San Francisco.

The Church's Plea for Unity

From the church of the first century down to the present time the unity of God's people has been taught and urged by the churches of Christ. The Apostle Paul, writing to the church at Corinth rebuked them for their divided condition. He said, "Now I beseech you, brethren, through the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfected together in the same mind and in the same judgment. For it hath been signified unto me concerning you, my brethren, by them that are of the household of Chloe, that there are contentions among you. Now this I mean, that each one of you saith, I am of Paul; and I of Apollos; and I of Cephas; and I of Christ. Is Christ divided? Was Paul crucified for you? Or were ye baptized into the name of Paul?" (I Cor. 1:10-13).

Paul brings up this subject of unity again in the twelfth chapter and compares the spiritual body or church to the human body. He says, "For as the body is ONE, and hath many members, and all the members of the body, being many, are ONE BODY; so also is Christ. For in ONE Spirit were we all baptized into ONE BODY, whether Jews or Greeks, whether bond or free, and were all made to drink of ONE SPIRIT."—"But now they are many members, but ONE BODY."

Surely this is too plain to misunderstand. But the great problem before us now is to get people to discard their creeds, manuals, disciplines and catechisms and man-made denominations and to return to the simple New Testament christianity.

—RAYMOND I. GIBBS, Evangelist.
