

Revenue Collectors Puzzled by Claims

PORTLAND, Nov. 2 (AP)—James W. Maloney, Portland office of the internal revenue department collector, today called "Chinese puzzles" many of the claims for 1943 income tax refunds.

A large number of persons placing claims actually owe the government, he said, and expressed surprise that "so many taxpayers are so ignorant in these matters."

Despite hiring 60 extra employees, the swamped Portland office still has processed fewer than half the claims, Maloney stated.

Gunnery Area No. 1 Now In Use

On November 1, the Klamath naval air station began use of its gunnery area No. 1, shown in the above map. Notice has been published to residents within the area and all others were warned that daily serial gunnery practice will be conducted within this area and that trespassing will be "extremely dangerous." At the request of The Herald and News, the navy provided this map with points along the boundaries especially noted.

ILLEGALITY NOTED IN REGISTRATION

SEATTLE, Nov. 2 (AP)—Sheriff Harlan C. Callahan asserted today he had evidence of widespread illegal registration of voters in King county.

The evidence was gathered by his staff and by the Burns Detective agency, which was retained by a private individual, he said. The investigation is still underway and he plans to place a large staff of special deputies at the polls next Tuesday to challenge questionable voters.

Anthony Savage, former United States district attorney, legal counsel for the agency's client, said the illegal registrations were numerous and that five were discovered among the first 80 names investigated in one precinct.

Most of the investigation has been directed toward names added to the voting rolls during the registration campaign conducted in city schools by volunteer workers last month. Examples of fraudulent registrations included giving false addresses, and registering before the person had been in the state long enough to qualify, Savage said.

Inventor of Ethyl Gas Strangled

COLUMBUS, O., Nov. 2 (AP)—Thomas Midgley Jr., 55, the inventor of ethyl gasoline, was found dead in bed today at his home in nearby Worthington.

He had been an invalid and confined to a wheel chair for four years. Midgley, who was credited with more than 100 patents, was stricken with infantile paralysis in 1940 and lost the use of his legs.

Sheriff's deputies said he apparently had been strangled in his sleep by a harness he had invented to help himself in and out of bed.

DEFEAT PROHIBITION

That's "The Joker" that "slipped in" the Burke Bill. Yes, "The Joker" says you cannot serve guests at your club or even in your own home without severe penalty. Don't let "the dregs" put it over again in 1944 as they did in 1918.

Second—Think up a first name for Mama Swan. You might call her "Mrs. Sudy Swan" because Swan Soap is so rich and extra sudy. Or "June Swan" because Swan Soap is mild as a day in June.

These suggestions can't be sent in. We want your ideas for a good name for Mama Swan.

Third—Complete this sentence in 25 words or less: "I like Swan Soap better because..."

IMPORTANT: Mail the wrapper from a cake of Swan Soap along with your name for Mama Swan to Swan, Box 36, New York 8, N. Y. Send in as many names as you wish—as long as EACH NAME is accompanied by a Swan wrapper. Also, you must send us the name of your Swan dealer. Hurry! Contest closes December 15th. Get your entry in now!

FOLLOW THESE EASY RULES!

1. Send in a first name which you think is appropriate for Mama Swan. Then complete this sentence in 25 words or less: "I like Swan Soap better because..."
2. You may secure an official entry blank from your dealer, or write on your own stationery. Use pen, pencil, or typewriter, but be sure to print clearly your own name and address and that of the dealer where you bought Swan. Let your dealer help you... and if you win a prize, he wins one, too. Write on one side of paper only.
3. Mail your entry to Swan, Box 36, New York 8, N. Y. Submit as many entries as you wish, but each entry must be accompanied by a Swan Soap wrapper (large or regular size). Each entry must include both a suggestion for Swan's first name and the 25-word statement. Use sufficient postage.
4. The winning names will be selected for their originality and appropriateness by an independent organization of experienced contest judges. In case of ties, the 25-word statement (which must accompany each suggestion for Mama Swan's first name) will be the deciding factor... on the basis of originality, sincerity, and aptness of thought. If there are any remaining ties, duplicate prizes will be awarded to each tying contestant. Decision of the judges will be final. No entries can be returned. All entries and lists therein become the property of Lever Brothers Company.
5. Any person 18 years of age or older in the continental United States or Puerto Rico and Hawaii may compete, except employees of Lever Bros. Company, their advertising agencies, and their families. Contest subject to all Federal and State regulations. All entries must be the original work of contestants submitted in his or her own name. All members of a family may compete, but no more than one prize will be awarded to one family.
6. Names of major prize winners will be announced on the George Burns & Gracie Allen and "Bright Horizons" radio programs as soon as possible after the contest closes. Complete list of winners will be sent to anyone sending stamped, self-addressed envelope.
7. Contest closes December 15, 1944, and all entries must be postmarked before midnight of that date, and received before January 8th, 1945.
