

THIS IS MY PROGRAM:

- Jobs for Returning Servicemen**
by keeping Klamath sawmills in operation. Now SEVEN mills have closed and still the County Court has done nothing to prevent this loss of payroll to our community.
- Long-Term Planning**
of our county road program. Good roads are necessary to encourage new industry.
- Adequate Recreation**
for all ages: teen age clubs, nursery schools and kindergartens.
- Efficient and Economical Spending**
of our tax money and a fair equalization of our tax load.

Active and constructive interest in ALL departments of the county, public welfare, public health, libraries, licensing of businesses outside of cities and towns.

To Whom It May Concern:

Any statement made by any candidate for office concerning assessments of any kind, or class of property, in this county are unofficial and unauthorized by me, or anyone else connected with this office. And I wish to further state that I believe that the assessments of Lake County are as well equalized as it is humanly possible to figure them out.

Thanks be to able and efficient assistance rendered by the appraisers and valuation experts employed by the State Tax Commission.

VOTE FOR
Matt Finnigan
COUNCILMAN
WARD ONE

I have resided for the past seven years in ward number one.

I own my home in said ward and I am a taxpayer.

For the past five years I have been the owner and operator of a business on Main street in our city.

We have three children, two of whom are attending our schools.

I have no connections with any group or organization and I am not obligated to any person, persons or groups whatsoever.

I believe in the future of Klamath Falls.

I believe that the city of Klamath Falls should be operated in a business-like manner; that complete harmony should exist between the city and other departments of our government; and I will endeavor to do my part in such cooperation.

I believe that ordinance number 3420, in effect since January of 1943, commonly called the "BLACK SNOW ORDINANCE," should be enforced, and as your councilman I will expend every effort to see that this ordinance is enforced.

I also believe that North Third street should be made a through street and that all intersecting streets be made "STOP" streets so that our children will be protected in going to and from school.

I believe the playground in our ward should be made usable for our children and I will make every effort possible to the end that the Old High

School Park Site be made the beauty spot of Klamath Falls.

If elected your councilman, I promise to honestly and energetically perform all of my duties with all of the sound judgment I am able to command.

I earnestly solicit your vote.

VOTE FOR
Marvin L. Shepherd
FOR MAYOR

BECAUSE:

He has been a business man in Klamath Falls for 17 years and has been active in civic and fraternal affairs, giving generously of his time to matters of public welfare; and because his business experience and civic activities have made him conversant with the many problems of our city. HE IS FITTED AND QUALIFIED BY TEMPERAMENT AND SYMPATHETIC UNDERSTANDING TO DEAL WITH OUR PRESSING JUVENILE PROBLEMS. He is a family man with three children—one a first lieutenant in the army air corps; a daughter, attending the University of Oregon, and a son in the sixth grade in Klamath Falls. And because he has a constructive program for the city of Klamath Falls. As an example: Will immediately put into effect ordinance No. 3420, and thereby terminating the BLACK SNOW MENACE in Klamath Falls.

DEWEY

PLEDGE TO LABOR

GOVERNOR THOMAS E. DEWEY, Republican Presidential nominee, minced no words when declaring his position on labor in an address at Seattle, Washington, Sept. 18. Governor Dewey intends to bring the U. S. Department of Labor back to the status for which it was created—to administer the affairs of labor. Governor Dewey pledges himself to abolish the many multiple agencies set up by the New Deal to pass on labor-management relations, but functioning more to retard than expedite labor problems. The Republican candidate for the Presidency of the United States, has promised the American people that he will select as Secretary of Labor, a man from the ranks of Labor.

"Among the things which have been holding us back here at home is an Administration Labor Policy which has bred class division, hate and insecurity. I can say without qualification that the labor policy of this administration has been one of delays, bungling and incompetence. It has put untold obstacles in the way of labor's effort to avoid wartime strikes. It has fostered strife between one labor group and another, between labor and business and between both and government."

—THOMAS E. DEWEY
Address—Seattle, Wash., September 18, 1944
