# Ed OSTENDORF For MAYOR

The juvenile problem is a most serious link in the moral preservation of our children. The state law has designated the circuit court of Klamath county as the only court in this county where the juvenile shall be heard. I propose, if elected, to help in every possible manner the problem of the circuit court in caring for our minors. The existing curfew law, if enforced, properly, would be the greatest legal aid in curbing delinquency, as it places liability upon the parents for their lack of parental responsibility in caring for their children. If elected, I will see that our city police force will cooperate with the court and I pledge support to the county and state in all law enforcement matter. Every city must have an efficient police force and must have cooperation with other law enforcement bodies. So to insure this it is necessary that we have another chief of police.

**We will have a new chief of police if I am elected mayor. Elect a business man with experience of operating his own business. Elect a man with credit rating and standing in the community. Elect a man that knows and has taken part in civic affairs. Elect a man that will not have penny arcades on Main street. Elect a man that will have prestige for this important office.**

I was born in Klamath county and have spent my entire life here; helped to raise and educate five children.

Have never held any public office.

Have had 13 years' experience as Deputy County Clerk and 20 years' farming and business experience.

If elected, I pledge the following:

Harmonious cooperation with all State and County officials.

Will devote my entire time to the duties of said office.

Promise courteous and efficient service to all, whether or not you see fit to support me.

If you do not know me, please inquire of your neighbor as to my qualifications, etc.

Owing to gas shortage and harvest time, it will be impossible for me to contact many voters.

Will not ask for more than two terms, and, if at the expiration of one term there should be a qualified ex-service man or woman desiring said office, I will not seek reelection.

Your support and vote November 7th will be greatly appreciated. Vote 36X.
