SHORTAGE OF GOBBLERS EYED FOR KLAMATH

It looks extremely unlikely that there will be many turkeys for Thanksgiving Day for the dinner tables of local housewives, County Agent C. A. Henderson reports. Service tables will be replete, however, as the WFA order freezing all turkeys, which was to be cancelled November 1, has been extended past that date. The order will be lifted as soon as an adequate supply has been obtained for the armed forces.

Since there are no government licensed turkey killing plants in the Klamath basin, growers must have their turkeys killed in licensed plants elsewhere. The nearest of these are at Medford and Redmond where local growers must take their birds if they wish to sell to the government unless special permission is obtained for temporary killing for local service installations.

Apparently there will be no turkeys available for civilian consumption until the freeze order is lifted. Information has been requested from the state of persons interested concerning the establishing of local government licensed killing plants. No word has been received on the matter as yet, but information should be forthcoming soon.

NOT WANTED IN OREGON!

PROHIBITION AND ITS COMPANION EVILS

1. Is it fair to the Service Men while they are away?

Approximately 100,000 service men and women from Oregon cannot vote on this question. Is it fair to permit prohibition to be slipped over again in 1944 as was done in 1918? You can protect them by voting 313 X NO!

2. If they get away with this, will all Beverages be next?

So far this "Burke Bill" pertains only to beverages over 14% alcohol by volume. But if they slip over this much—the light beverages will be NEXT! You can protect yourself by voting 313 X NO.

3. What will this "Joker" do right now?

It will *prohibit* you from serving any guests your usual hospitality beverages in your club or at home—unless you want to risk severe penalties. Look out for this dangerous "JOKER".

READ "THE JOKER" IN THE "BURKE BILL" PURPOSE FOR YOURSELF

"Purpose: Requiring all intoxicating liquor containing over 14 per cent of alcohol by volume, including fortified wine, except for sacramental purposes, to be sold exclusively by stores and agencies operated by the Oregon liquor control commission, and making it unlawful for any other person, firm or corporation to sell, offer for sale, or *GIVE* TO ANY PERSON any such wines or liquors, except for sacramental purposes. Violation of this act is made punishable by fine and/or imprisonment."
