

MAYOR ISSUES STATEMENT ON BUSSMAN QUERY

Mayor John H. Houston issued a statement to the press Thursday in which he said it was "not the intention of the mayor nor any member of the council to 'oust' A. H. Bussman from his position as councilman." The statement refers back to Monday night's council meeting in which Bussman's legal position was discussed.

"Last week," said the mayor, "I was questioned as to whether it was legally possible for Mr. Bussman to engage in official council business. The charter states: Provided further that the office of councilman shall be deemed vacant whenever the incumbent thereof shall cease to be a resident of the ward which he represents." I felt this point was clearly presented by the city attorney Monday night.

"The account of the council meeting as given by your reporter and your editorial gives the impression that Mr. Bussman was removed from the council. Mr. Wiesendanger, at the council meeting made a motion which was passed, that a vote of thanks be extended Mr. Bussman for continuing in service until the end of the year. The mayor followed this by saying that Mr. Bussman had made a good councilman and that the administration appreciated his efforts.

"I would like to see Mr. Bussman complete the rest of the year as councilman. Your editorial stated that Monday night's incident was 'most unfortunate.' As an outgoing mayor, it is my feeling that it was most unfortunate not to have had our obsolete and antiquated charter modernized when this came to a vote a few years ago.

I feel the full story of Monday night's session was not clearly stated, and I feel that the newspaper account of this session leaned toward a mild rebuke of the administration.

"Your editorials, Mr. Epley, have always been fair, and I know will always continue to be so. May I make this suggestion as a soon-to-be political has-been. In fairness to future mayors, whenever a controversial issue develops in city matters, that the matter be discussed with the mayor so that his view point of the issue could be had before an editorial policy is written."

Roosevelt Back in Harness After Time Out for Race

By HOWARD FLIEGER

HYDE PARK, N. Y., Nov. 9 (AP)—President Roosevelt swung back into the complex duties of his office today, his administration policies endorsed by the voters who chose him to head the government for another four years.

"We have again demonstrated to the world that democracy is a living, vital force," the president said in a statement issued 14 hours after his victory over Gov. Thomas E. Dewey became certain.

He said the election "demonstrated . . . that our faith in American institutions is unshaken; that conscience and not force is the source of power in the government of man."

"To that faith let us unite to win the war and to achieve a lasting peace."

The president will return to Washington tomorrow. He came to his Hyde Park home last weekend after closing the fourth term campaign in Boston. It was here Tuesday night that he sat in a litter of tabulation sheets, checking the voters' reply to his bid for an unprecedented 16 years in the White House.

The president arose late yesterday and, except for working a while on correspondence, gave himself an easy day on his estate. He went for an automobile ride with his former law partner, Henry C. Hooker, had a quiet dinner and went to bed early.

Huge bundles of telegrams and messages were carried to the Roosevelt estate yesterday after it became apparent that the chief executive had been re-elected for a fourth term.

Presidential Secretary Stephen T. Early said many of the messages said the president's re-election meant that "isolationism is dead" in this country.

He made public this telegram sent the president by Secretary of State Cordell Hull:

"I extend my warmest felicitations on your re-election to the presidency.

"Under your wise leadership our country will rededicate itself, united and strong to the attainment of complete and speedy victory over our enemies, and to the establishment of a just and lasting peace.

"The kindest personal regards and best wishes."

MEMBERSHIP RULE CHANGE PROPOSED

WASHINGTON, Nov. 9 (AP)—The justice department recommended to the supreme court today that the Associated Press be required to adopt an "explicit" by-law which would admit new members without regard to local competitive situations.

The department filed a brief in its cross-appeal from the decision of a federal expediting court in the government's civil anti-trust suit against the non-profit news cooperative. The A. P. likewise has appealed, and the high tribunal will hear oral arguments next week.

The lower court ruled that the A. P. could continue to provide its news report exclusively to members, to demand the local news of members exclusively and to retain its contract with the Canadian press provided the A. P. modified its by-laws on admission of members.

SMALL MARGIN BAKER, Nov. 9 (AP)—By the margin of four votes, incumbent Leonard Waterman defeated George Sizemore for Harney county district attorney. Eldon Sitz was elected sheriff, beating two opponents.
