Sumatra targets also were smashed by the giant planes. Kandy, Ceylon, is Lord Mountbatten's headquarters and Ceylon is possible source of amphibious force.

Dewey Believes War, Not Demos, Decided Election

By JACK BELL
 ALBANY, N. Y., Nov. 9 (AP)—Giving evidence of feeling that he was licked by the war and not the democrats, Governor Thomas E. Dewey went back to his desk in New York's historic old state capitol today to begin a new role as a defeated candidate who remains the titular head of his party.

Although the vanquished republican presidential nominee declined public comment on the national election results, his supporters left no doubt that Dewey believes the single factor which gave President Roosevelt a fourth term victory was that a majority of Americans did not want to change administrations while the world battlefronts still are flaming.

Looking relaxed and fresh despite an almost sleepless night of analyzing election returns and talking by telephone to party members all over the nation, the governor told a news conference in New York City yesterday that he was "very happy over the high confidence" the people had expressed in the state government by returning a solid republican majority in both houses of the legislature.

This firm party grip loomed large as a factor in the future plans of the 42-year-old former candidate who universally is expected to seek reelection to his state office as a possible prelude to another try for the presidency in 1948.

The Deweys, who came home last night from New York City, expect soon to depart for a rest. They may go to Sea Island, Ga.

Dewey displayed satisfaction at yesterday's news conference because of what his supporters termed a "very close" race he gave President Roosevelt in the

CALIFORNIA GIVES MAJORITY TO FDR

SAN FRANCISCO, Nov. 9 (AP)—California gave President Roosevelt a majority of better than 400,000, reelected Democratic Sheridan Downey for a second term and put democrats into at least 14 and possibly 16 of the state's 23 congressional seats.

Returns today from Tuesday's balloting totalled 1,657,051 for the president in 13,141 out of 14,841 precincts. The count for Gov. Thomas E. Dewey was 1,254,602.

Downey, who has supported Roosevelt on nearly all major issues, had far tougher going than the president. Opposed by Republican Lieut. Gov. Frederick F. Houser, who attacked new deal domestic policies, the junior senator emerged with a lead of more than 130,000. The vote in 13,141 precincts was Downey 1,435,075, Houser 1,302,737.

The counting in two congressional districts tentatively indicated defeat for the veteran republican Albert E. Carter in the sixth by George P. Miller, democrat, and for the election of Frank R. Havenner, Roosevelt supporter, over Republican Tom Rolph in the fourth. But the results in both districts were so close that the soldier vote probably will finally decide them.

Assuming defeat for Carter and Rolph, the next California delegation will be made up of 16 democrats and seven republicans. Two years ago it was 13 democrats and 10 republicans.

BUMBLEBEE AIRWORTHY!
 NEW YORK, Nov. 9 (AP)—The old story that according to aerodynamics the bumblebee should not be able to fly because of excessive wing loading is disputed by the technical department of the aeronautical chamber of commerce.

"With sufficiently rapid oscillation it is possible for a very small flat surface to lift a much greater weight," the experts report.

Marsh Eyed As New Speaker of House

PORTLAND, Nov. 9 (AP)—Eugene Marsh, McMinnville attorney, was mentioned in political circles today as probable speaker of the state legislature's new house of representatives.

Although Marsh himself made no claim, backers asserted he had pledges of at least 31 representatives—the number necessary for election. Marsh's principal opponent for the speaker's chair has been John Hall, veteran Multnomah county representative.

The race for presidency of the senate loomed as a three-cornered battle between Howard Belton, Canby; Rex Ellis, Pendleton, and William Walsh, Marshfield.

Times Says Demo Majorities Testify To FDR's Hold

LONDON, Nov. 9 (AP)—The Times said in an editorial today that "comfortable democratic majorities" in the U. S. senate and house of representatives "are a striking testimony to Mr. Roosevelt's hold on the confidence of the American people."

"Crude attempts to invoke the 'communism' bogey—whether in the form of Mr. Roosevelt's alleged subservience to Marshal Stalin abroad or to Mr. Hillman's political action committee at home—seem to have conspicuously missed fire," the Times added.

Traffic Control Cited Crash Cause

WASHINGTON, Nov. 9 (AP)—The interstate commerce commission today ascribed the collision involving Gov. Thomas E. Dewey's special campaign train to inadequate railroad traffic control.

One passenger on the second train was killed and 58 persons were injured in the wreck near Castle Rock, Wash., September 19. The commission recommended installation of a block signal system.

Anderson Considers Investigation of Public Opinion Polls

ALBUQUERQUE, N. M., Nov. 9 (AP)—Rep. Clinton P. Anderson (D-N.M.), chairman of a house campaign expenditures investigating committee, said today he is considering an investigation of public opinion polls as a result of their difference with election results.

He declared that public opinion polls before the election gave Thomas E. Dewey, republican, an edge over President Roosevelt who won by a popular majority of 1,700,000.

"It is improper to use public opinion polls," he said, "in an attempt to influence elections as it is to use money."

Anderson did not specify which polls he meant, but did say he thought the Gallup poll had been "weighted, according to the opinion of Mr. Gallup, and that it showed 'public opinion 51 to 49 for Dewey.'"

Chinese Paper Says FDR 'Indispensable'

CHUNGKING, Nov. 9 (AP)—The official Central Daily News today hailed President Roosevelt as "indispensable, not only to the United States but to the world."

"The world needs him in the war against aggression and the building of an edifice to safeguard permanent peace," the Chinese paper said.

The newspaper Ta Kung Pao said, "Roosevelt led the world crusade against aggression and laid the foundation for victory of the democratic nations." It added "mankind waits for this extraordinary man to accomplish greater and more extraordinary deeds."
