Pete Belcastro Set For Another Shot At "Mask" Friday

Pete Belcastro will get another chance! After the fine showing "Grey Mask" in their last battle, Promotor Mack Lillard has given him another crack at the hooded heel by popular demand and the two torso-twisters will headline the card again this Friday at the armory.

Pete was well on his way to victory over the masked marvel in their last fracas, but the unique tactics of so-called Referee Tex Porter cost him the match. The Weed assassin chased the "Mask" out of the ring upon several occasions and vows that this time he will win his hated opponent clean out of the armory and into the street. The re-match will, in all probability, draw a capacity house and tickets are on sale now.
