night at the Grange hall was not such a huge success financially, as it only netted around \$25, it was a very enjoyable affair and the crowd, which was quite orderly yet convivial, really had a good time. The union boys nevertheless showed the War Fund committee workers that their intentions to really swell the drive were sincere by digging up enough out of reserve union funds to donate \$25 to the Oregon side and \$25 to the California side. Such gestures of cooperation in these times is very commendable as it not only gives zest to the morale on the home front but shows the boys in the service that after all, some of the union boys are thinking of them right along with their daily work... The Willow Ranch PTA has engaged the Grange hall to hold a benefit dance this Saturday night, November 25, to raise funds for school improvements. It will be remembered that many Willow Ranch citizens patronized the recent Kelly Creek PTA benefit dance which was so successful and now out of gratitude the citizens of New Pine Creek will have a good opportunity to demonstrate the good-neighbor policy by turning out to support their neighbors' benefit dance. It is hoped their undertaking is equally successful. The East Side Grange orchestra has been engaged for the affair... An experiment worthy of mention is being tried at the Kelly Creek grade school. Some members of the PTA, prompted by a suggestion from one of the teachers after studying the attitudes and aptitudes of some of the pupils, decided that a warm soup menu for the pupils at noon would increase the health of the children. As a result each mother is taking a turn at furnishing hot soup for the entire school. Some are doing it gladly, knowing full well how much the children appreciate it, others are doing it dutifully believing the experiment unworkable for the biggest part of the winter and for some of the mothers with tiny babies, others have practically refused to even try to do it. If there is not a unanimity in the conduct of the project it will surely fail as a few mothers will not want to play Santa Claus all winter long for those whose mothers refuse to take the warm soup for all, besides doing all the work... It may develop that all would be willing to pitch in financially and hire someone to do the job completely. If such a person were available that would seem to be the most workable plan, judging from a cross-section opinion of the PTA group.

Malin

Auxiliary unit No. 84 of Malin met November 6 at the home of Mrs. Merle Loosley at which time plans were made for the annual bazaar and cooked food sale to be held December 2. All members who plan to contribute handwork are requested to leave it with Mrs. Vaclav Kalina by November 30. Cooked food contributions are to be taken to J. W. Sanders' office on the day of the sale. Refreshments were served to Valsa Ainsworth, Donna Faye Ainsworth, Ethel Hamilton, Hazel Kalina, Irene Freitag, Ethel Roberts, Leah Street, Mary Victorine, Martha Brothnek, Alice Nyhart, Agnes Schreiner, Bess McCully and to husbands of the members... Members of the Malin unit who attended recently the conference and luncheon in Klamath Falls were Mrs. Ethel Roberts, president, Ethel Hamilton, Bess McCully, Alice Nyhart and Agnes Schreiner... Anyone interested in joining the Malin unit is asked to contact Ethel Hamilton, membership chairman... Malin grangers enjoyed a potluck supper the evening of November 14 with Dr. David J. Ferguson, pastor of the Merrill Presbyterian church, speaking on Thanksgiving day. The next meeting will be November 28 when officers for the new year will be nominated and elected... James Rodgers, janitor in Malin schools, has been on the sick list for several days... Students of the Malin school have selected "Moonlight for Herbert" as the school play to be given some time in December. Ann Dolezal is directing... Mr. and Mrs. Harold Litzous, Oakland, have been guests recently of Mrs. Litzous' parents, Mr. and Mrs. John Fabianek, and of the K. C. Wilson family. Mr. and Mrs. K. C. Wilson and the Joe Fabianek were recent guests of Gail Winnferd, Roseburg... Protagoras, Greek philosopher, (481-411 BC) was the first teacher to receive a tuition fee. He was also the first to systematize grammar, distinguishing parts of speech, tenses and moods... were available that would seem to be the most workable plan, judging from a cross-section opinion of the PTA group.

**Why Be a Christian?**

The Christian life is a life of sacrifice from the beginning to the end. It is a life of self-denial and separation from that which is evil. Jesus said, "If any man would come after me, let him deny himself, and take up his cross, and follow me. For whosoever would save his life shall lose it; and whosoever shall lose his life for my sake shall find it." (Matt. 16:24, 25).

Rather than to separate themselves from sin and from the popular way, the majority of men and women choose the easy way and coast along down the broad road to destruction. Jesus said, "For wide is the gate and broad is the way that leadeth to destruction and many there be that go in thereat; for straight is the gate and narrow the way that leadeth unto life and few there be that find it." (Matt. 7:13, 14).

It pays to be a Christian because Christians are the only ones who are promised eternal life. (Rev. 20:15).

In times of sickness, sorrow and death, Christians have a hope and consolation that only those who obey the Lord can have. (I Thess. 4:13-18).

True Christianity makes a man a better man, a better husband, a better father and a better neighbor. By living the Christian life, one is uplifted, ennobled, and fitted for a great and better life hereafter. Not only does it bring contentment and peace to the individual but his life is a light to others and a glory to his Creator.

Truly Christians should be the happiest people on earth because they have the greatest hope on earth.
