

COUNTY HEALTH BOARD ELECTS NEW OFFICERS

R. P. Ellingson was president of the Klamath County Public Health Association at a general meeting Tuesday night at the Willamette Hotel. Ellingson, first vice president; Mrs. J. Perry Haley, second vice president; Mrs. A. S. Hollinger, third vice president; and Mrs. J. P. Ellingson, executive secretary of the association, were the speakers at the meeting. She urged an increase in the sale of stamps and stated that the sale of every dollar's worth of stamps in this county, 5 per cent for literature and 5 per cent to the state association, would pay for the health program. Mrs. Hollinger described the unit that came here to X-ray healthy children as part of the TB eradication program. She said that the program's single death rate was reduced by tuberculosis, and that for mobile units in all of the country is vital. A discussion followed the meeting and those taking part were Dr. A. V. Hendrickson, Mrs. Phil Hendrickson, Mrs. Arnold and Joe Peak, and Mrs. J. P. Ellingson, working out of the health office, has been named county for the past year and was commended for organization of the enlarged unit.

ORGANIZATION OF CLUBS BEGINS

George Peters, county 4-H agent, announced Tuesday that clubs are being organized throughout Klamath county at present time. Meetings are being held at county schools. Meetings by Maryvive Snarr, club leader from Corvallis, program started Monday, October 27, and will extend to December 1, inclusive. The following schedule is being followed: Monday—Chiloquin, Fair and Keno. Tuesday—Malln, Merrill and Keney. Wednesday—Bonanza, Sprague and Bly. Thursday—Gilchrist. ATTENTION, CUPID ANGELES, Nov. 29 (P) gets a break. Marriage license bureau remains open an hour and a longer daily to meet needs of servicemen on short notice.

MEN AND WOMEN IN SERVICE

BROWN IN TEXAS

A/C Jack Harrison Brown, son of Mr. and Mrs. S. R. Brown, 615 High, is now stationed at the army air base at Big Springs, Tex. He has been in the air corps for more than one year and training at Kingman field, Ariz. He was sent to Texas. He was a member of the 1942 Pelican football team.

BOCCHI GETS WINGS

Mechanic-gunner Leo J. Bocchi, 22, AMM 3/c, Klamath Falls, was presented wings of silver and gold, the insignia of a naval aviator, this week at Jacksonville, Fla., when he completed the final phase of training at this naval air operations training command headquarters station, and became a member of an air-combat team. Aircrewman Bocchi enlisted in the navy in September, 1944, completing "boot" training at the naval training station in Faragut, Fla. He was selected to attend aviation machinist school at Norman, Okla., as a result of his showing in mechanical aptitude tests, and graduated on June 10, 1944.

FURBER ENROLLS

Lewis Edgar Furber, 22, son of Mrs. Selma Furber, Midland, has just enrolled in the Navy V-12 unit at St. Mary's college, Winona, Minnesota.

ALTER TRAINS

John Alter, 425 Pine, is now in apprentice seaman training at the U. S. maritime service training station, Avalon, Catalina Island, Calif. Alter is busy gaining knowledge and experience that will fit him for duty with our merchant marine.

JACKSON IN STATES

A Klamath Falls' marine, Sergeant John H. Jackson, 27, son of Clyde W. Jackson of route 1, recently reported at San Diego after 29 months overseas. He is scheduled to return home on furlough soon. A member of the first marine division, Sgt. Jackson last saw action on Peleliu in the Palau Islands. He enlisted in December, 1941.

Local Church Opens Public Prayer Room

The First Christian Church is providing for all who may desire to use it, a room dedicated to prayer, meditation, and Bible study. On the Ninth street side and but two steps down from the sidewalk, this room is beautiful and attractive, quiet and restful, warm and comfortable. The Bible, books on prayer, devotional material, are ready for personal and spiritual uplift. It is hoped that through the use of this room for prayer and meditation that we may keep faith with our service men and women. Stop in to pray each day.

SLIDING RUN BUILT FOR CHILDREN HERE

They didn't wait for the snow! A three-block long run for coasting has been completed for kids of the California-Conger area immediately in back of Conger school. This good news was announced Wednesday by Dave Bridge, city recreation officer. The idea was suggested by A. H. Bussman, former city councilman, who was interested in safe coasting for children following a series of bad accidents during the sliding season last year. A bulldozer was donated for clearing the grade, estimated between 10 and 12 per cent, and the stretch is now free from rocks. The slide starts above Conger school and ends the long run on the flat between the school property and Siskiyou street. This means, Bridge pointed out, that the sleds will not have to run into any sort of traffic area. The slide is some 20 feet wide and plans are now being outlined to bring loads of logs to the top of the hill so that the kids can coast their toes during runs. Bridge said that he hoped interested persons on the other side of town would follow suit and get a safe slide started in that section.

Today On The Western Front

By The Associated Press
Canadian First Army: In Germany after crossing Dutch border from Nijmegen sector.
British Second Army: Makes contact with remaining enemy strong-points west of Maas in Holland. Artillery active inside Germany.
U. S. Ninth Army: Drives wedges in Nazi defenses along Roer river.

U. S. Third Army: Bursts forward on 26-mile front inside German Saar basin, reaching outer crust of Siegfried line.
U. S. Seventh Army: Threatens Haguenau in Rhine valley drive above Strasbourg.
French First Army: Closes in on large force of Germans between Belfort and Mulhouse.

LEADING NAVAL ACE UPS SCORE

By MORRIE LANDSBERG
ABOARD U. S. CARRIER FLAGSHIP, WESTERN PACIFIC, Nov. 27 (Delayed) (P)—Lt. Cecil E. Harris, ex-farmer boy from South Dakota, for the third time has shot down four Japanese planes in one day. It gave the navy's leading ace a total of 24 Japanese planes. It placed him within 10 of the navy's record of 34, held by Cmdr. David McCampbell who recently completed his tour of duty. The 27-year-old Harris made his latest quadruple kill two days ago. He picked off three Tojo fighters in a morning sweep over Manila and destroyed another fighter over the United States task force during a Japanese daylight attack. The Helicat pilot shot down four planes over Negros island in the central Philippines, September 12 and again October 12, in a strike at Formosa. Seventeen of his 24 total were fighters. Harris first came out to the Pacific in January, 1943, aboard an escort carrier after helping allied landings at Casa Blanca in November, 1942. For a while

Dunn Reports Pump Plant Progressing

C. A. Dunn, local contractor, who was awarded the contract for the construction of pumping plants A, B and C in the Tulake area is making good progress, it was reported by the reclamation bureau Tuesday. Dunn gave notice that concrete would be poured for plant B Wednesday.

Washingtonians Get Appointments

WASHINGTON, Nov. 29 (AP)—Washington state residents received two of 12 appointments made by President Roosevelt and approved yesterday by congress to an advisory board which will function under the office of war mobilization and reconversion. Albert S. Goss was one of three agriculture members named, while Eric A. Johnston will be one of three industrial representatives.

Time and Eternity

Eternity is without end. Although none of us can realize how long that is, one minister illustrated it this way. "Let us just imagine that the entire earth is made up of particles of fine gravel. Then let us suppose possible for a bird to take a piece of this gravel in its beak and fly with it to the sun. It returns and carries another piece of gravel to the sun and deposits it there. This is repeated again and again until the entire earth has been removed. The time it would take to do this would be just a second of eternity." Think of it! Yet most of us think only of the present. "What shall we eat? What shall we drink? Wherewithal shall we be clothed?" Most of us live as though the Bible doctrine of eternity were a fable. James said, "What is your life? For ye are as a vapor that appeareth for a little time, and then vanisheth." (Jas. 4:14).

Paul, who had suffered innumerable hardships, persecutions, imprisonments, betrayal by false brethren, for the sake of Christ, said, "For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed to us-ward." (Rom. 8:18).

When Paul was beaten and stoned and scourged by the Jews for his Christianity, he was not thinking of how he would save his life in this world but he was thinking of how he would save his life in eternity.

How many of us are preparing to meet God, and how many of us are saying as did Paul, "The time of my departure is at hand. I have fought a good fight, I have finished the course, I have kept the faith; henceforth there is a crown of righteousness laid up for me which the righteous judge shall give me in that day, and not to me only but to all those who love his appearing?"

The blessings of eternal life are too good to miss. Be ready to meet your God and serve your Creator.

—RAYMOND I. GIBBS, Evangelist.
