

Mills Students Top War Loan Quota

Students have purchased a grand total of \$6294.05 in war bonds and stamps during the current school year.

There will be one more bond and stamp sale held on Friday, December 15, at the school.

The University of California developed an X-ray machine which shows organs of the body in three dimensions.

Response On Seal Sale Satisfactory

Public response has been very satisfactory on the Christmas seal sale, according to Max Hicks, program chairman.

Members of the Jayceettes have placed window displays in downtown business establishments as well as counter displays containing 10 cent and 25 cent packets of seals that are available to the public.

Seals may also be obtained at the Marine Barracks, and Merrill residents may purchase them or make returns to Mrs. Fruit of that community. Anyone requesting stamps in large quantities may get them by calling Vance Vaupel at 4514.

HIGH SCHOOL

News Notes and Comment

By JUANITA SHINN

Last week an appeal was sent out to the various clubs and organizations in KUHS. It was hoped that eight or 10 gifts would be turned in to be contributed to the servicemen's hospitals at the Marine Barracks, the naval air station, and Camp Newell for Christmas.

Friday night after school, there were 56 gifts contributed by the clubs, organizations, home rooms, and the student body as a whole.

Along with the clothing drive, the American Red Cross has asked the students to collect these little things which will make Christmas complete for the servicemen stationed in Klamath Falls—Christmas tree ornaments, bits of tinsel and glitter.

December 14 is the deadline for the collection of these articles. Here again is something that supporters and admirers of the student body and servicemen can help with.

Most of the townspeople know a student in high school, and by using him as a medium, may make their contribution to this cause which may add one more bright note to the Christmas of a boy who cannot be at home this holiday season.

Tuesday, December 12, the music department of the high school will present its annual Christmas program. At 1:05 the students will be entertained by the music of the singing groups in KUHS.

At 8 o'clock the same evening, the program will again be presented for the benefit of the public.

Bill Wilson, president of the "K" club and a two-year letterman, has attended KUHS for four years.

When Bill was a freshman, he was class president, and a member of the Art club.

At the present time, he is also chairman of the traditions committee. Bill is a member of the Assembly committee, Honor Society, Masque and Gavel, and H-Y, and a past master counselor of De Molay.

Bill earned both of his letters playing football.

Charlotte Uehling Dies In Nebraska

Mrs. Charlotte Uehling, 76, resident of Fremont, Neb., died at her home Friday afternoon, following an illness of the past five weeks. Mrs. Uehling was the mother of Mrs. Glen Hout, 928 Pacific Terrace, who has been at her bedside since her illness.

Mrs. Uehling visited in Klamath Falls several years ago and made many friends here. Final rites will be held in Fremont Monday.

HEARING HELD ON ISSUES AT FEATHER RIVER

A hearing on several issues in labor relations at the Feather River Lumber company, Del Norte, Calif., was held by the west coast lumber commission in the hearing room of the Pine Industrial Relations committee in the Drew building here yesterday.

Hiring hall, vacation questions, an added clause to the contract and other labor-management issues were covered. A CIO local union represents workers at Feather river.

The hearing panel consisted of Public Member O. C. Pratt of Spokane, Union Member Richard Scott of the CIO, and Industrial Member M. T. Owre, former Klamath man now residing in Portland. Chester Irving of PIRC represented the company and Richard Gladstein, San Francisco, represented the union.

Others in attendance included H. D. Laws, manager for the company; A. Jasmann, sawmill foreman, and Harold Arrasmith, Portola, business agent of the CIO union.

City Briefs

Einarsson Presented—Gerald Einarsson of Klamath Falls, clarinet soloist, was presented in recital during the University of Oregon program Tuesday, December 5, over KOAC, station-owned station. Einarsson played the "Recitative" and "Polacca" from the Second Concerto by Weber. He was accompanied by Johnette King of North Bend.

From Crater Lake—Fred Huntress, caretaker of Crater Lake national park, was in Klamath Falls recently and reported three inches of snow in the Crater lake area, which made skiing difficult. This is about normal snowfall there for this time of year, according to Tom Parker, assistant superintendent of the park.

Nazarene Speaker—Ed Peterman, sophomore at the Northwest Nazarene college at Nampa, Ida., who is on temporary leave, will be a special speaker at the services at the local church of the Nazarene on Sunday evening at 7:30. Peterman is a liberal arts student who is also studying for the ministry.

Runner-Up—Georgia Liskey of Merrill was runner-up for the title of "Bonds Away Girl" during a campus drive for sale of war bonds at the University of Oregon. Miss Liskey was the candidate of the Sigma Kappa sorority.

AAUW Party—The AAUW Christmas dinner party will be held at the Pelican party room on Thursday, December 14 at 6:30 p. m. "White elephant" gifts will be exchanged. Short dresses will be in order.

Policy

For many months we have been in cooperation with the Vocational Education Program here. The purpose of this activity has been to train personnel to help meet wartime needs for skilled technicians, and more recently, to provide training for marines who desire to acquire a profession for postwar security.

This program has been responsible for considerable interference with the conduct of our business, but in most cases our customers have been very tolerant.

It is our aim to give GOOD service with a minimum of delay. We have failed to do this occasionally, but in most cases radio sets received for repair during the week have been ready by the following Saturday.
