

# PENSION BILL FOR VETERANS OKAYED BY FDR

WASHINGTON, Dec. 15 (AP)—President Roosevelt signed today a bill providing pensions for widows and children of deceased veterans of the last world war.

Estimated to cost \$37,000,000 in its first year, the pension system provides benefits up to \$74 a month for families of men who served in World War I.

The measure extends coverage to the families of virtually all World War I veterans, since it provides pensions regardless of the cause of death. Previous pensions were allowed widows and children only (1) if the veteran died of a disability connected with his war service and (2) if he died of some other cause, but had been disabled in without children will get \$35 a month. A widow with one child will receive \$45, and \$5 will be paid for each additional child.

A child of a deceased veteran, whose mother also is dead, will get \$18. Two orphans will receive \$27, three will get \$36 and for each additional orphan \$4 is provided.

No childless widow can draw a pension unless her annual income is under \$1000, nor can a widow with children qualify for a pension unless her income is less than \$2500.

A veteran must have served at least 90 days for his family to be eligible. And, to discourage women from marrying veterans with the idea of obtaining pensions, the law says that any woman who has married a veteran after the effective date of the act must have been married to him for 10 years to receive the pension upon his death.

# OTILIA COMPTON DIES IN WOOSTER

WOOSTER, O., Dec. 15 (AP)—Mrs. Otilia Compton, 85, widow of Dr. Elias Compton, former Wooster college president, and mother of three sons and a daughter who hold a total of 31 college and university degrees, died at her home today.

Noted the "American mother of the year" in 1939, Mrs. Compton held an honorary doctor of law degree from Western College for Women "for outstanding achievements as the wife and mother of Comptons."

Her sons, all listed in Who's Who, are Dr. Wilson M. Compton, president of State College of Washington, Pullman, Wash., and for 25 years economist and general manager of the National Lumber Manufacturers' association; Dr. Karl T. Compton, president of Massachusetts Institute of Technology; and Prof. Arthur M. Compton, of the University of Chicago, winner of the 1927 Nobel prize for physics.

Also surviving is a daughter, Mrs. Mary Rice, a Presbyterian missionary now on leave, and wife of Dr. C. Herbert Rice, principal of Christian College, Allahabad, India.

# Meet to Settle Three Disputes Coos Bay Loggers

COOS BAY, Dec. 15 (AP)—Logging employers and employees were meeting here today to settle three separate disputes which caused brief walkouts last week.

Men walked out for periods ranging from one to four days from the Coos Bay Logging company's Sitka mill at Empire, Crown Zellerbach logging operations at Lake Tahkenitch, and the H. G. Powell operations at Elkton.

Disputes arose from wage adjustments, discharge of an employee, and union representation.

# To a Boilermaker about a better job

Maybe you have a wife and youngsters. Maybe you're new out here in the West. And maybe you figure you'd like to connect with a big and permanent company. You know best. Anyway, we'll tell you about the job. It's with Southern Pacific on our big railroad. Shuts out roundhouses. General boiler-making on railroad equipment. Locomotives, rolling stock. Working with "good stuff" on interesting jobs. Keeping the railroad on the tracks, you might say... keeping the war trains rolling. A good gang to work with—men you'll like. Men who've found there's something just a bit different about railroading—more exciting, more interesting. New, higher railroad pay. Liberal age limits. Railroad pass privileges. Fine pension plan. Medical services. All of which adds up to a better than usual job with a good outfit. We think you'll like it. How about coming in and seeing us?

# HIGH SCHOOL News Notes and Comment

Of great pleasure to both high school students and faculty members was the afternoon program on this last day before Christmas vacation.

The students reported to their afternoon home rooms for parties if they so desired. At 1:20 a bell sounded and they passed to the auditorium for the annual Christmas assembly.

Kelly Farris acted as Santa Claus' representative, and in place of the traditional red Santa Claus outfit, was clad in a jute suit.

Letters were read from Mr. Harris, Edna Renner, Lynden King, Miss Foster, Arnold Ellis, Mary Lou Case—and Santa's representative did what he could about their requests. Bob Clammer was there representing the Santa Claus union, and Kelly was asked to leave because he didn't have a union card.

After the assembly, it was announced that there would be an after-school dance in the girls' gym, and all students were invited to attend.

Tonight, the Reames Country club will be the scene of a very colorful Snowball formal, presented annually by the De Molay.

Dorothy O'Malley, chosen as De Molay Sweetheart, will reign over the Snowball, and George Long, master counselor of De Molay, will present her with the De Molay Sweetheart pin from the balcony at Reames during intermission.

Baldy's band will furnish music for the couples to dance to as usual.

This year there are 15 seniors who plan to graduate at mid-term, and have earned enough credits to do so.

Those seniors are Cowell Barnstable, Bill Dalrymple, Jim Denison, Frank Dowden, Donald Erickson, James Grimes, Monroe Kinsey, Betty Larvick, Paul Nichols, Bill Owen, Bob Perkins, George Ray, Gordon Sundberg, Burton Sundberg, Harry Tindal and Jack Wissnack.

Last night the Pelicans played Albany, and won by the score of 30 to 16. Tonight and tomorrow night the Pelicans will meet Salem and then return to Klamath Falls sometime this week-end.

Thirty-two members, both old and new, were entertained by the Spanish club at Sari's last Wednesday evening. Billie Carson and Britta Lion were responsible for the initiation of the new members.

The Wildcats went to Tulelake last night, and were defeated by a score of 38 to 21.

Totals on the bond quota for KUHS were approximately 50 per cent over the quotas. Employees purchased \$4131.25 and the students \$4706.25, grand total \$8837.50.

# TULELAKE TO STAGE BOND DRIVE IN GYM

A 6th War Loan bond drive will be staged at Tulelake Saturday, December 16, in the high school gymnasium there starting at 8 p. m. sharp. The Tulelake bond drive committee hopes to exceed its quota of \$240,000 at this show. The committee is composed of R. M. Prior, A. A. Rodenberger, Floyd A. Boyd, Earl Ager and Charles K. Weise.

Boyd heads the entertainment committee which will bring the Klamath Union high school band of 40 pieces, under the direction of Andrew Loney, to Tulelake for the show along with overseas veterans from the Marine Barracks and Camp Tulelake.

The occasion will feature both musical numbers and guest speakers headed by Col. Vern Austin, commanding officer of Camp Tulelake, Col. George Van Orden, commanding officer of the Marine Barracks, and Maj. Clyde Roberts of the Barracks. Musical numbers will be rendered by the Klamath high school band, four young accordion artists from Merrill and Hayden Simpson, trombone specialist, Mrs. Phyllis Beardsley will do an impersonation skit.

An auction will also be held, with Weise acting as auctioneer, of steers, fat hogs, fat lambs, ammunition, cigars, tires and quantities of other merchandise. All these commodities were donated by businessmen and farmers in the Tulelake area.

The general public is invited to the jamboree.
