How to roast a turkey without a roaster!

IT CAN be done—easily—and without basting, too! But first, remember that in buying a turkey it's wise to figure about 3/4 to 1 lb. (drawn weight) per serving.

To truss the bird (thus keeping it in compact and attractive shape while roasting):

Fold wings back so the tips are caught in back of the bird, and tie tightly around the whole bird using strong cord—

Then, using another length of cord, tie firmly around the end of each drumstick just above the joint, press them close to the body, and tie them securely to the tailpiece (as shown above)

DOUGH BLANKET ROASTING is the next step, and it requires neither roaster nor basting:

1. Have bird trussed and ready—
2. Place on shallow pan or metal tray (may go cater-cornered if bird is large)—
3. Have oven good and hot (450° F.)—
4. Mix 4 to 6 cups of flour (depending on size of bird) with just enough water to make stiff dough; knead slightly—
5. Roll out to 1/4 to 1/2 inch thickness, large enough to cover bird completely—
6. Let edges hang loose—don't tuck in (if it stretches too thin at any point, patch with extra dough)—
7. Put immediately into hot oven—
8. Pour 1 cup water into pan; bake about 15 minutes for dough blanket to set.
9. Reduce oven heat to 325° F. and finish roasting—
10. Do not baste, but be sure to keep about 1 cupful of water in pan at all times—
11. Half an hour before serving time, break the hard dough blanket by tapping with a hammer; remove blanket, being careful not to break the skin.
12. To get desired color, increase heat if necessary and continue cooking uncovered.

Roasting time depends on the size of the bird; the larger the turkey, for example, the fewer minutes per pound needed for tender results. Turkeys weighing from 14 to 25 lbs. require about 4 1/2 hours at 325° F.; from 8 to 13 lbs., about 3 1/2 hours.

Large birds are "done" when tines of fork easily enter the thick part of the drumstick or when, after you've grasped the end bone of the drumstick the joints in the thigh break or move easily.
