### Handy with tools? This job may be up your alley

This is a good job. And a bit unusual in many ways because it's got just a bit more excitement and real he-man's "stuff" to it than most jobs. The work: Helper in Southern Pacific's big R.R. shops or roundhouses ... working with skilled craftsmen on locomotives, rolling stock, other R.R. equipment. You don't need to be experienced — just willing. If you wish, you can learn railroading on the ground floor . . learn a fine craft from men who know their business, You'll be part of a fine outfit ... a company whose biggest job s ill lies ahead: carrying the war load for the huge Pacific offensive. Regular railroad wages. Fine pension plan. R.R. pass privileges, Medical services. Investigate today.
