

Primrose To Play In Concert Here

William Primrose, who will perform here on Wednesday, January 17, under the auspices of the Klamath Community Concert association, is considered by musical authorities to be the greatest violin player in the world today. The concert will be held at the Pacific theatre.

Born in Scotland 37 years ago, Primrose began the study of music when he was four years old. His father, a musician, owned a rare and beautiful Amati viola (which Primrose uses today) but strongly objected to the youngster's interest in it. "At that time," Primrose explains, "the viola was thought of as a sort of 'Cinderella of the strings'—a harbor for disappointed fiddlers." The instrument therefore was kept under lock and key. But young William had a will to play it—and by prying open the lock, Primrose discovered the secret and set him to practicing the viola instead.

He followed his father's wishes and at the age of ten, while a pupil of Camille Ritter, played the Mendelssohn violin concerto in Glasgow's largest concert hall, the late Henry Verbruggen conducting. He continued his violin studies in London at the Guildhall School of Music and at seventeen made his formal concert debut with the Albert Hall orchestra under Sir London.

A friend of his father's lent him the famous Betts Stradivarius, now in the Library of Congress.

In 1925 Primrose went to Belgium for further study with Eugene Ysaie. But the charms of the forbidden viola were not forgotten; in fact, Primrose confesses he was "passionately in love with it." Ysaie recognized his special aptitude for the instrument and showed him how to play it. By 1929 Primrose had switched permanently to the viola and that year accepted an offer to join the London Quartet. In 1931 he gave his first solo viola performance in Rio de Janeiro. After hearing him, an eminent critic declared "there has never existed a viola player with such phenomenal technique."

Today Primrose stands alone in his art. His peerlessness is, perhaps, best expressed by Lawrence Gilman, late distinguished music critic of the Herald Tribune, who wrote:

"Mr. Primrose is not only a virtuoso; he is an artist. In tone, style, he is not necessarily identical. His style is one of extraordinary poise, exquisite sensibility and patrician taste. He can play with passion and intensity, while preserving that basic serenity which is an essential element in all great performances; that core of stillness and control and peace at the center of an outward agitation—which, like Mr. Primrose's name, reminds us of a great poet."

Homemaking Highlights

From the Office of the Home Demonstration Agent

The amount of good cooking that is going on in Klamath county during the Christmas and New Year holidays, is enough to make even an angel weep with envy. There seems to be enough turkey for everyone, despite rumors to the contrary, and the noble bird will again be the center of attention on many holiday tables.

When we quizzed Mrs. Paul Landry about her holiday dinner plans, she disclosed that her family likes stuffing made partly with corn bread, with the small variety of oysters added, if they are available. Their Christmas dinner was different from many, in that she served both potatoes and steamed rice. We also thought her salad must have been very tasty. . . and pretty to serve. She adds crushed avocado (creamed, really) to lemon jelly, with a bit of vinegar and salt, whipped cream, a little mayonnaise and pimento. Her vegetable upon such occasions is usually broccoli, if she can find it in the market. Her holiday dinner was topped off in the traditional fashion, with steamed pudding and a sauce made of beaten eggs (whole eggs or just the yolks), powdered sugar, whipped cream and flavoring. . . the kind you happen to like best. Mrs. Landry, by the way, is the city school lunch supervisor.

On the other hand, Mrs. A. R. Campbell stuffed their Christmas turkey with plain bread dressing, which is what her family demands, and she served cranberry ice for dessert. Mrs. Campbell had a molded fruit salad with an orange dressing composed of such goodies as whipped cream, sugar, egg yolks and orange juice. Candied sweet potatoes, cottage cheese, stuffed olives and relishes (home-made) rounded out the Campbell's Yuletide feast.

Mrs. H. D. Hixon called our attention this week to a very unusual candy recipe, which, when the war is over, and sugar is no longer rationed, ought to go down in the official records of this potent growing community. It is called potato candy. . . and it is made by adding a pound of confectioner's sugar to half a cup of cooked, mashed potatoes. If you wish to color it, that may be done with a few drops of vegetable coloring, or with cocoa or chocolate, and a little butter added to the mixture. Coconut and nuts of various kinds go nicely with this rich, creamy confection, according to Mrs. Hixon. She remembers hearing early day pioneers over in the valley tell of making it.

X-Ray of Your Heart

The X-ray shows your heart to be full of lies—"The heart is deceitful above all things and desperately wicked."—BIBLE.

GOD ACTED. He made it his business to put all your wicked thoughts, words and deeds on Christ, his Son. The Lord hath laid on Him the iniquity of us all." Isa. 53:6. You gave in to your lying, wicked heart and Christ paid the penalty to set you free. Sin had left a crimson stain; He washed it white as snow.

YOUR PART. Come as you are. Believe the Bible that the sins of your lifetime are blotted out. Count your page clean. It was against God that you sinned and it was for love of you that he offered up Christ to set you free.

Come as you are. You may be living in sin, but come as you are. Come right now, this very moment. God stands with outstretched arms, waiting to receive you, vile as you may be—or good as you think you are.

PRESS ON. Look to Christ for the power of the new life. Believe wholly in Christ from hour to hour and be able to say with the Apostle Paul—"It is no longer I that live, but Christ that liveth in me. Live by Power From on High.
