Washington Leads Throughout First Half But Vandals Spurt to Win, 39-34

MOSCOW, Ida., Feb. 13 (AP)—University of Washington cagers, defending titlists in the northern division, fell before Idaho, 39-34, last night, bringing to seven their number of losses on the road this season in as many starts.

The Huskies have one more

chance to win an away-from-home contest when they meet the Vandals again tonight.

Washington held the upper hand throughout the entire first half, leading 20-5 at one point and holding a 24-16 lead at half-time, but Idaho scurried home with 12 points within three minutes after the second half opened to take its first lead, 28-27. Jeff Overholser with six, Bob O'Connor with eight and Leonard Pyne with five, accounted for the Idaho victory.

The game made no difference in the division standings, Idaho retaining the cellar position behind Washington in fourth place.

Derby Date May Pass Unheralded

LOUISVILLE, Ky., Feb. 13 (AP)—Ordinarily about this time of year, horsemen would have been "Derby conscious"—but now a date usually important in preparations for the "run for the roses" is about to pass unheralded if not unnoticed.

It is February 15—the usual deadline for Kentucky Derby nominations. And, although that usual closing date is only two days away, the Churchill Downs management here is still marking time, awaiting word from Washington that the ban on racing has been lifted.

It was learned at the Downs yesterday that no nomination blanks have been printed, and that no deadline for nominations would be set until action by government officials warranted.

The Derby is scheduled for Saturday, May 5.

Hansen Sets Scoring Pace

By TED MEIER
NEW YORK, Feb. 13 (AP)—Vince Hansen, an "unknown" from Washington State college in the Pacific northwest, catapulted into first place in basketball's national collegiate individual high scoring race last week. Hansen ran wild against the Washington Huskies to boost his season total to 453 points on 185 field goals and 93 free throws in 28 games. He replaced Dick Wilkins of Oregon who topped the parade the previous week with 412.

Wilkins with a total of 431 points for 34 games still retained a sufficient total to rank in the runnerup spot nationally.

Another northwest performer, Jack Perrault of Eastern Washington, climbed into third place with 421 points while Bill Henry of Rice's newly-crowned Southwest conference champions, tossed in 52 points during the week to hit 392.

George Mikan of DePaul fell to fifth with 375, followed by Fritz Macy of Akron at 373, and Stan McWilliams, of the College of Pacific, at 366. McWilliams, a freshman, is through for the season, being scheduled to enter the army on Thursday.

Investigation Of Athletics Asked By D. A.

BROOKLYN, Feb. 13 (AP)—An investigation of the "widest scope" before a committing magistrate of "crimes, irregularities and conditions injurious to the public welfare in the matter of certain athletics" was asked today by District Attorney William O'Dwyer.

O'Dwyer made the request to Kings county Judge Samuel S. Leibowitz, who consented to preside at such an investigation starting at 10 a. m. next Monday.

Meantime, the trial of Harvey Stemmer, 34, and Henry Rosen, 29, charged with conspiracy in the recent Brooklyn college basketball betting scandal, was postponed for two weeks.

Not So Hot!

WACO, Texas, Feb. 13 (AP)—Baylor university's basketball team has three more games to play but considering the season record thus far there appears little chance of the Golden Bears gaining a victory.

They've lost 15 straight and the opposition has averaged 64 points, which probably is the worst defensive record in the nation. The Bears have managed only 28 points, so their offensive record is a little on the seamy side, too.

Jug Faces Lord Byron In Playoff

McSpaden Blows Early Lead In New Orleans Open to Tie With Nelson At End of Play

By SKIPPER PATRICK
NEW ORLEANS, Feb. 13 (AP)—Harold (Jug) McSpaden tries today for the championship he "blew" yesterday in the \$5000 New Orleans Open golf tournament—and his opponent is the game's leading performer, Byron Nelson of Toledo, O.

Playing under the worst possible weather conditions, the Sanford, Me., "hard luck" specialist couldn't buck the stiff wind, occasional showers and heavy course and turned in his first bad round of the tournament. His final 18 holes cost him 4 over par 38-38-76.

Nelson, trailing by five strokes at the end of three rounds, wound up with a 37-34-71, one under par, to make his score 284.

McSpaden got in trouble on the sixteenth hole yesterday and needed three pars to win. He pushed his second shot into a trap and was in the hole bogey 5. He blew a 2-foot putt on the seventeenth hole for another bogey, but made a great approach for a tying birdie 4 on the last hole.

The scheduled playoff today marks the second such affair for McSpaden and Nelson in the two years they have been making the tournament rounds together. The Jug beat Nelson in a playoff at the Phoenix Open in February, 1944.

The winner today gets \$1333.33 in war bonds (maturity value) and the loser \$933.33. Neither of the boys has ever won a championship here.

Claude Harmon of Grosse Pointe, Mich., continued his consistent play to finish third with a score of 289 and \$733.33 in war bonds.

Sammy Sneed of Hot Springs, Va., shot his best golf of the tournament in placing fourth. The slammer got the last round in 3 under par 69 to tie with Sam Schneider of Corpus Christi, Tex., for the \$500 bonus war bond for the best round of the final day. His final score was 290.

Johnny Bulla of Chicago, playing his first golf in weeks, ended with fifth place money at 291.

They awaited a battle which Matchmaker Jack Hurley said will draw "more than \$90,000 through the gate."

Racing Bill Before Wash. Legislature

OLYMPIA, Feb. 13 (AP)—Only associations whose members were interested in the breeding, training or racing of blooded horses would be eligible to obtain licenses for race meets under provisions of a bill submitted to the Washington legislature today by Rep. Francis Pearson (D-Clallam).

Licenses are issued to individuals under the present act, and granting of licenses is discretionary with the racing commission, excepting that no person convicted of a crime involving moral turpitude is eligible.

Further stipulations of the proposed measure are that associations must have a membership of at least 10 persons, none related by blood nor marriage, and no member shall own more than 10 per cent of the capital stock of any incorporated association or have in excess of 10 per cent interest in assets of any unincorporated association.

A bill designed to permit Oregon and California commercial fishermen to operate on Washington waters was introduced by Rep. Violet P. Boede (D-San Juan). It would eliminate the requirement of a year's residence.

"Oregon and California permit our fishermen that privilege and this is to make the regulations uniform," Rep. Boede said. A provision is tossed in which would assure Indians continuation of all existing fishing rights.

Appropriation of \$30,000 from the game fund for construction of a fish hatchery on the Dungeness river is sought in a bill introduced by Sen. Donald Black (D-Clallam).
