NEW BILL BROADENS ELIGIBILITY FIELD

OLYMPIA, Feb. 14 (AP)—In line with the expressed desire of Gov. Mon C. Wallgren that the eligibility field for the position of adjutant general be broadened...

The proposed legislation would enable the governor to appoint some officer not below the rank of captain in the national guard of comparable rank in any of the armed services.

It stipulates further that the adjutant general would hold office at the pleasure of the governor.

The present law requires that the position be filled by an old-line national guard officer not below the rank of field officer.

Gov. Wallgren said yesterday that he would seek the legislative changes to facilitate selection of a competent military executive for the post to succeed Adjutant General Walter J. DeLong.

The governor yesterday replaced Col. DeLong as selective service head with Commander Patrick Henry Winston, USN, but retained DeLong as adjutant general temporarily.

CLINTON GETS STAR T/S Harold O. Clinton, Tulelake, has been awarded the Bronze Star by Maj. Gen. Paul J. Mueller, commanding general, 81st "Wildcat" infantry division for heroic achievement in connection with military operations against the Japanese on Anguar Island.

Following the chain of command, the sergeant, then a squad leader, took charge of an infantry platoon when both the platoon leader and platoon sergeant were killed in action during a fierce enemy counterattack.

Swiftly appraising the perilous situation, the California soldier quickly reorganized the infantry unit and enabled it to continue its mission.

His exemplary leadership and initiative saved the platoon from further casualties and were largely responsible for repulsing the counterattack, the citation ordering the award stated.

In addition to being awarded the coveted decoration, the soldier has been promoted from staff sergeant to technical sergeant in recognition of his battle-proven courage and leadership.

The sergeant's wife, Beulah, lives at Tulelake, Calif. His father, John Clinton, resides at Valley Falls, Kansas.

CRAWFORD REPORTS KEESLER FIELD, Biloxi, Miss., Feb. 7—Pvt. Donald Crawford, son of Mr. and Mrs. W. D. Crawford, 1882 Academy street, Klamath Falls, Oregon, has reported to Keesler Field to take the army air forces training command examinations to determine his qualifications as a pre-aviation cadet.

As an applicant for training that will make him a flying officer, he will be given a series of medical and psychological tests at Keesler field which will indicate the type of air crew training for which he is best suited by aptitude and personal characteristics.

He will also take other classification tests to measure his technical skills and aptitudes, and he will receive a number of phases of military training here.

Upon successful completion of this processing, he will be sent to the proper army air forces training command station to begin his training as pilot, bombardier or navigator, depending upon the position for which he has been found best qualified.

First Relocated Japanese Report Courteous Treatment

TULELAKE—The WRA reports office has been advised by G. Raymond Booth, in charge of the recently established relocation office for Japanese in Los Angeles that Setsu and Taneo Mitoma, Japanese man and wife who left here the latter part of January, were well received in the southern city.

A recent letter discloses that the couple, first Japanese to leave the Tulelake center for relocation on the west coast and employed by Mr. and Mrs. A. J. Holzman were courteously treated by trades people in the community with one exception.

Other inquiries have been made relative to obtaining Japanese from here for employment. The Hitomas are employed in the Holzman home.

CANNERS AUTHORIZED WASHINGTON, Feb. 14 (AP)—WPB today authorized enameled ware manufacturers to make 500,000 cold pack (water bath) canners for the 1945 home canning season.

This is about one-half the 1941 production.
