Stimson Says Not U. S. Policy to Bomb Civilians

WASHINGTON, Feb. 23 (AP)—Secretary of War Stimson today expressed belief in an "excusable but incorrect interpretation" of remarks by a briefing officer had led to reports that the allies had decided on terror bombing of the German civilian population.

Our policy has never been to inflict terror bombing on civilian populations," Stimson replied to a news conference question as to whether this indicated a change in our policy.

Vets Not Provided Enough Money to Buy Class 1, 2 Farms

ELLENSBURG, Feb. 23 (AP)—Mark T. Buchanan, acting head of the farm management and agricultural economics division of the department of agriculture, asserted yesterday that provisions of the GI bill of rights will not provide veterans with sufficient money to permit the purchase of class 1 and 2 farms.

MAN KILLS WIFE, COMMITS SUICIDE

PORTLAND, Ore., Feb. 23 (AP) Dr. Earl Smith, county coroner, today listed the deaths of Harry William Bewley, 54, and his third wife, Rose, 37, as murder and suicide.

The two were found shot in their apartment yesterday, a revolver with two spent bullets under Bewley's body.

The coroner said Bewley apparently fired the shots after an argument. A picture had been knocked from the walls in the flat.

Bewley had only recently inherited an estate estimated at \$125,000 from his father, Roswell Lanson Bewley, McMinnville banker. The dead man, who once worked on the Portland police force with his twin brother, James, came here from McMinnville to work as a shipyard guard.

Fishermen Draft Unity Requested

WASHINGTON, Feb. 23 (AP)—Lack of unity of policy in drafting commercial fishermen is "seriously endangering" the industry, Senator Magnuson (D-Wash.) declared today.

He introduced a bill to put these workers on a par with farm labor and essential to the production of food.

One serious trouble, he said, is that some draft boards are taking fishing boat captains and chief engineers, with the result that a whole crew is taken out of production.
