

MOSES DIES AFTER OPERATION

CHESTER, Minn., March 3 (AP)—United States Senator John D. N. D., 59, three-time governor of North Dakota, who held national office by defeating Gerald P. Nye last fall, died today.

Moses had been under post-operative treatment at Mayo clinic for an abdominal ailment when an attack of pleurisy complicated his recovery. He was operated on before the operation and returned here for further treatment.

The pleurisy set in a little more than a week ago.

His wife and son, Lt. James Moses, who came here yesterday at his bedside. Answered an army lieutenant, John, who was recovering from a wound received in action.

A daughter, Mary Jean, is a U. S. cadet nurse corps member. Her son, Robert, also served in the army.

Moses was the first democrat elected to represent North Dakota in either house of congress and was one of two men to serve three terms as governor of the state.

Amendments On Tax Accepted

LEM, March 3 (AP)—The house today passed over Gov. Earl Sniell's resolution for a committee to study the state's tax structure was today when a legislative committee agreed to the house amendments.

Although the house amendments delete the governor's recommendation that the committee be directed to hire nationally-recognized tax experts, the conference committee said the governor is satisfied with the amendments.

The amendments deal with the size of the committee, the number of members and the number of amendments to be appointed to the committee by the governor.

DEADLINE LOOMS FOR LAWMAKERS

OLYMPIA, Wash., March 3 (AP)—Noon today is the final deadline for either house of the state legislature to consider bills introduced in its own chambers and the law makers went to work this morning fully expecting they would have to stop the clocks to get their work completed.

The rules committee worked late into the night on the program for today, but whatever it scheduled could hardly push aside the excitement of last night, when Mon C. Wallgren rushed his liquor-by-the-drink bill out of the picture and the senate approved a \$27,400,000 state budget.

The governor, after telling newsmen he was "going to take my licking gracefully," sent a message to the house and senate asking that "my bill be tabled in committee and that no further action be taken because there are too many other legislative proposals to be considered."

This will be an open meeting to which poultrymen, whether in commercial business or just interested in family flocks, are welcome to attend. Questions on sick chickens and problems regarding any phase of poultry production will be given careful attention by Bennion at the meeting.

Stock Exchange Sets Ruling On Stocks

NEW YORK, March 3 (AP)—The New York stock exchange today prohibited, effective March 5, margin trading in stocks selling for less than \$10 a share.

Minimum margin of 10 a share will be required for issues selling above \$10 a share, the order said, adding that it was to apply equally to bonds.

The exchange also prohibited new margin accounts unless the equity will be at least \$1000, and restricted use of small existing accounts.

COMBINATION OF FUNDS SET BY RED CROSS

George Davis, chairman of special gifts committee of the Red Cross drive, announced at the start of the campaign that contributions will again combine normal donations with the Red Cross war fund.

The amount of contributions, says Davis, is left to individual discretion. "Each of us, however, should go the limit in assisting this activity in view of the continued necessity created by war and its attendant needs," he asserted.

Last year, Davis stated, the combined quota was \$44,800. Through the generosity of contributors the sum of nearly \$60,000 was raised. This year the quota is \$64,000 and based on accomplishments last year, Klamath will again reach the necessary amount.

Klamath county retained 33 per cent of last year's contributed fund. This year 57 per cent is being retained because of increased army, navy and marine activity in this area.

Contributions for March 2 reached \$1077. The list carried yesterday showed Signal Oil company giving \$25, which should have read \$75.

SPRECKLES HOME WATCHED BY COPS

SAN FRANCISCO, March 3 (AP)—Police patrol cars have been keeping a close watch for the past two weeks on the Pacific Heights home of Mrs. Alma De Brettville Spreckles, northern station police reported today.

The police said Mrs. Spreckles, widow of the late sugar king, Adolph Spreckles, had received a threatening letter and a telephone call from a "waterfront man."

"We men down here on the waterfront are getting damn fed up on hearing how you are spending millions on some damn old display ships when our boys are getting their legs and bodies torn to pieces. . . ." the letter complained.

"Some one of these birds will plant a stick of dynamite where it will do the most good."
