SP HANDLES RECORD HIGH IN TRAFFIC

NEW YORK, March 6 (AP)—Southern Pacific company handled the largest volume of traffic in its history during 1944. A. T. Mercier, president, said today in a report to stockholders.

Net ton-miles of freight carried established a record high for the 11th consecutive year, nearly tripling the 1939 total and rising slightly above the 1943 figure.

Passenger miles were 10.4 per cent greater than in 1943 and five times those of 1939, Mercier said.

He pointed out that although gross operating revenues established new records during the year, expenses increased to a greater extent. Rising costs were principally in wages, materials, taxes, materials and supplies.

Consolidated net income for 1944 was \$41,847,065, or \$11.09 a share, compared with \$67,133,187, or \$17.79 a share, for 1943.

The total includes net income of the Southern Pacific transportation system and separately operated, solely controlled affiliated companies operating in the United States and Mexico, excluding the Southern Pacific railroad company of Mexico, the report says.

Tooze Challenges Employers' Patriotism

PORTLAND, March 6 (AP)—Patriotism of employers who discharge workers summoned for jury service was challenged here by Circuit Judge Walter L. Tooze.

Ever Since Tiny Tots
QUINTUPLETS
always use this for **CHEST COLDS**
To Promptly Relieve Coughing
To Make Breathing Easier
To Break Up Congestion in Upper
Respiratory Tract, Nose, Throat
Whenever the Quintuplets catch cold—their chests, throats and backs are immediately rubbed with Musterole. It must be good!
Musterole gives such prompt relief because it's more than just a "soothe." It's what so many Doctors and Nurses call a modern counter-irritant. Musterole not only relieves coughs, sore throats, aching muscles due to chest colds but also helps break up congestion in upper respiratory tract, nose and throat.
Musterole is wonderful for grown-ups, too! And so much easier to apply than a mustard plaster. Ready for instant use—just rub it out! "No fuss! No muss, with Musterole."

HIGH SCHOOL News Notes and Comment

By JUANITA SHINN

Annually, for the past three years, the sophomore class has sponsored a Sophomore Hop for sophomores only. This year the dance has been called a No-Date dance, and all of the four classes in high school are invited to attend.

Dancing will be from 7:30 until 10:30 in the girls' gym on March 8. Admission will depend upon the type of music to be secured. The committee planning the dance is hoping to obtain the marine orchestra.

Following a St. Patrick's theme, the social committee has planned its dance for the student body for March 18 in place of the original date of March 13 as previously announced.

Mr. and Mrs. Paul Deiler invited the entire freshman basketball squad to their home for a social evening last Sunday. Games were played, and according to Deiler, who is freshman basketball coach, they were "stuffed" with apple pie a la mode.

THUMBS DOWN GIVEN LEVY IN LAKEVIEW

LAKEVIEW, March 6—Voters of Lakeview turned thumbs down yesterday on a proposed tax levy to pave the streets of that town.

The balloting on a 24-mill tax for paving purposes resulted as follows:
Yes 130; No 222.

Observers believed the tax was concentrated too heavily in too short a period to win the approval of the voters. The plan called for a 24-mill ad valorem tax for three years.

On January 12 of this year voters of Lakeview gave the town council authority to exceed the 8 per cent limitation on tax levies.

Thirty-four permits were issued during the month of February by City Building Inspector Alva Downs, the total for the month reaching a satisfactory figure of \$24,925.

Eight business houses were remodeled at a cost of \$11,030, 25 permits were approved for remodeling homes at a cost of \$13,595, and one new residence was authorized at a cost of \$200. Fifteen new oil furnace installations were approved. Building fees for the month totaled \$104.

No Injury Reported In Traffic Accident

A traffic accident occurred Sunday in which no one was injured, when a car driven by J. C. Rawlings, 850 Pacific Terrace, smashed into the rear end of a vehicle operated by Archie Quackenbush, 5426 Shasta way, at the underpass on Main.

Rawlings blamed the collision on faulty vision, according to city police. Rawlings' vehicle was damaged to the extent of \$100 and damage to the other car was estimated at \$20. No arrest was made by city police.

34 PERMITS ISSUED BY BUILDING HEAD

Thirty-four permits were issued during the month of February by City Building Inspector Alva Downs, the total for the month reaching a satisfactory figure of \$24,925.

Eight business houses were remodeled at a cost of \$11,030, 25 permits were approved for remodeling homes at a cost of \$13,595, and one new residence was authorized at a cost of \$200. Fifteen new oil furnace installations were approved. Building fees for the month totaled \$104.

PROPERTY, SMOKE TAXES OPPOSED

SALEM, March 6 (AP)—The bills to tax cigars 2 cents a package and to levy a 5-mill two-year property tax to give money for schools, and for buildings for state institutions and the state board of higher education ran into stubborn opposition today from the Oregon School Districts association.

The school directors oppose using money from cigars for education. They advocate use of income tax receipts to give additional revenue to schools, although legislators hold this is unconstitutional, as this money must be used to reduce property taxes.

The bills, which would be referred to the people at a special election next June 22, were introduced late yesterday by the house taxation and revenue committee.
