HUNDRED accredited members of the Washington correspondents association, every one of whom would be fired by wire if he wasn't present in person at this one.

So that lets that out, and we'll have to join the rest of the commoners who will read it in the newspapers or hear it on the radio.

THERE'S a rather good one, supposed to be of English origin, going the rounds of Washington.

It deals with an alleged cartoon picturing Mr. Roosevelt and Mr. Churchill disembarking from U. S. and British warships at Malta. Over on the horizon is Stalin, yelling loudly:

"Hey, you fellows; I said YALTA, not Malta."

Ski Camp Operated Near Fort Klamath

(Continued From Page One)

the spring it will be possible to go all the way into the park.

Five men — the instructors, two cooks and P1 Sgt. Carl Fisher, NCO-in-charge — stay at the camp permanently and, just to be on the safe side, a corpsman and his case of first-aid supplies, plus an ambulance driver come along with each party.

'Everything— bunks, blankets, skis and food—is furnished by the Marine Barracks, and the cooks declare that the combination of altitude and exercise have a definite effect on appetites. They call five eggs and as many hottcakes an average breakfast for a leatherneck at Camp Wilson.

Organization Meet Held by Scouts

The second organization meeting of the Bly scout troop was held Tuesday evening at Bly. The first regular meeting of the new troop will be next Monday evening, March 12, with Scoutmaster Einar Engen in charge.

The troop committee will formally organize the following evening when Cpl. Lawrence Albritton, USMC, of the Marine Barracks, will preside at a training session for new troop officers.

Woman Suffers Brain Concussion In Crash

Joan Missa, 302 E. Main, suffered a brain concussion Tuesday evening when she was struck by a car driven by W. G. Campbell, route 2, Klamath Falls, while she was jay-walking across E. Main near Oak, according to city police reports.

She was taken to Hillside hospital where her physician, Dr. George Adler, reported her condition as improved this morning.

No arrest was made but police are continuing the investigation.

MINOR ACCIDENTS REPORTED HERE

Three minor accidents were reported to the sheriff's office, vehicle bureau, today. Emerick Hult, 2660 Altamont drive, advised that he was backing out of his garage at 7:45 a. m. Wednesday when he was struck by a passing sedan.

Arthur F. Wilson, 521 Adams, and Marion LeRoy Parker, Ashland farmer, were involved in a collision on S. 6th near the Buffalo lunch Monday. Wilson said that in passing he did not see the truck lights and struck the truck bed.

A third report was made by Ethel Joe of Chiloquin and William T. Rutledge, 4016 Altamont, whose cars collided on highway 97, one-fourth mile north of Modoc Point. None of those involved was injured.

LUZON CAMPAIGN IN FINAL PHASE

(Continued From Page One)

garrison are doomed to die because they refused to surrender.

Brilliantly aided by Filipino guerrillas, the Yank divisions on Luzon are preparing death traps for the four Japanese divisions Lt. Gen. Tomoyuki Yamashita has left of an original 10 —an enemy loss to date on Luzon of more than 90,000 men.

Objectives Won

On the Shimbu line in the Marikina watershed east of Manila, where some of the most bitter fighting of the campaign has been raging, a headquarters spokesman said "a few limited objectives have been gained."

On the Manila bay coast southeast of Corregidor, troops of the 11th airborne division struck so swiftly at a "Q" boat hideout—the "Q" boat is somewhat akin to an American patrol-torpedo boat—on the Marragodon river that the enemy failed to scuttle a single boat. Twenty were captured.

Albritton Hired by Boy Scout Council

Cpl. Lawrence Albritton, who is stationed at the Marine Barracks and played quarterback on the Leatherneck football squad, has been hired by the Modoc Area council of Boy Scouts as a part-time staff member.

Cpl. Albritton will work with Klamath county towns in all phases of scouting activity. He is an Eagle scout and has three brothers, all of whom were high-ranking scouts.

His father has been a scout commissioner and committeeman for many years in Paducah, Ky., where Albritton received his scout training.

Supplemental Gas Coupons Issued

New supplemental gasoline ration coupons, B7 and C7, are being issued now to eligible motorists by local OPA boards and may be accepted by dealers, E. W. Eggen, OPA mileage rationing representative, said today.

Coupons E3 and R3, for non-highway use, are also currently being issued and acceptable now.

Coupons B5, B6, C5, C6, E1, E2, R1 and R2 continue valid until further notice, Eggen said.

Scale Reported Lost or Stolen

H. M. Sheppard, 333 Alameda, reported to city police today that a 150 pound spring-balanced scale had been lost or stolen from his automobile either at home or downtown.

The scale disappeared sometime Saturday morning. Police are investigating.

WHEAT

CHICAGO, March 7 (AP)—Weakened by several days of extensive short covering, grain markets broke sharply today under profit cashing but recovered some of the losses shortly before the close. The deferred wheat futures were off more than two cents at times.

Offerings came mostly from commission houses with eastern connections and from local longs, taking profits after sharp advances.

Brokers with milling connections bought wheat on the setback but their purchases were not large enough to absorb the offerings.

At the finish wheat was unchanged to 1½ cents lower than yesterday's close, May $1.70⅝-½. Corn was ⅛ to ¼c higher, May $1.15⅝-½. Oats were up ¼c, May 67¾c. Rye was ¼c higher to ¼c lower, May $1.16⅛-¼. Barley was off ⅛ to 1c, May $1.13.

Repair of Equipment Authorized At Park

Authorization for the repair of playground equipment at Moore park was granted at a meeting of the park board Tuesday afternoon. Bert Stott, caretaker of Moore park, was given authorization to go ahead with any necessary repairs for the summer months.

It will be recommended to the city council that the street between Esplanade park and Tony Molatore's property be closed for park purposes and the park board will also contact the Klamath Bus company to discuss the possibility of bus service to Moore park this summer.

8 MISSING, THOUGHT DEAD IN EXPLOSION

VANCOUVER, B. C., March 7 (CP)—Toll of the blasts which wrecked a 10,000-ton freighter in Vancouver harbor was estimated today at eight men missing and believed dead, 18 injured and property damage of approximately $1,300,000.

The Empire Stevedoring company reported this morning that six longshoremen are missing and believed dead and the Canada Shipping company, Ltd., said two crewmen are "unaccounted for," and emphasized that it is not known if they were aboard.

The six longshoremen missing after four blasts ripped the S. S. Greenhill Park at noon yesterday were Don. G. Bell, W. T. Lewis, Montague Munn, Michael McGrath, Walter Peterson and J. Brooks.

The Canada Shipping company Ltd., operators of the Greenhill Park, refused to give the names of the two missing crewmen.

One body was taken from the beached vessel this morning but it was reported burned beyond recognition.

Scores Hurt Slightly

It was impossible to make any estimate of the number of persons who may have suffered minor injuries from flying glass as the four blasts shook the downtown area but it was believed scores received small cuts as the streets were crowded with the noonhour throng.

Canadian Pacific railway officials said the freighter was carrying 224,000 pounds of sodium chlorate in the holds and it is believed that material may have caused the heavy blasts that tore out the side of the $1,600,000 vessel after a small fire began in one of the holds.
