

Scouts To Celebrate 33rd Anniversary

With the largest membership in their history, and with the largest plans for international cooperation, the Girl Scouts will celebrate their 33rd birthday on March 12, according to Mrs. R. H. Radcliffe, commissioner of the Klamath Girl Scouts.

The Girl Scouts, who have more than a million members nationally, have grown in 33 years more than 124 thousand per cent. In 1912, when the organization was begun in America by Juliette Low, there were but eight members. Similarly, the Girl Scouts in Klamath Falls have had a great percentage of increase. Beginning in about 1930 with 12 members, the Klamath Girl Scouts now enroll 725 girls and volunteer adults. Nationally the total has been almost five million, Mrs. Radcliffe said.

Scouting, brought by Mrs. Low from England in 1912, has grown to be a valuable asset to our country in time of war and in time of peace. It has utilized the abilities and interests of girls, and has given them a program of character building and fun. It has developed worthwhile citizens and has been able to offer to the country, eager minds, willing hearts and trained hands at a time when all were needed.

Since Pearl Harbor alone, the need for Girl Scouts and the desire of members for the Girl Scout program, has increased the membership more than fifty per cent.

To celebrate the 33rd birthday of the organization, the Girl Scouts of Klamath Falls will conduct an "all troop" program on Friday, March 16, in the auditorium of Fremont school at 7:30 p. m. This program will represent Scout activities and emphasize international scouting.

Girl Scout week will conclude Sunday, March 18, at 2 p. m. at the Elks temple, with the "Scout's Own" spiritual program. This service is non-denominational, and all scouts participate regardless of their church affiliation.

Anyone interested is cordially invited to attend both of these programs.

BRT Auxiliary

A regular business meeting of the auxiliary to the Brotherhood of Railroad Trainmen was held in the KC hall on Thursday evening, March 8, at 8 p. m. Mrs. Henry Redman, president, conducted the meeting, and the initiation of officers, which was scheduled for this time, was postponed until further notice.

A membership drive, to last for the next six months, was undertaken, and heads of the two teams are Mrs. Henry Redman and Mrs. V. C. Phillips. Anyone wishing to know which team she is on should call Mrs. Lawrence Roman at 5631.

It was also decided to contribute eggs to the USO center each week, and those interested are asked to call Mrs. Roman.

St. Patrick's Day colors and decorations

were used for the refreshments following the meeting, and the hostesses were Mrs. Homer Caldwell, Blanche Barker and Mrs. Louis H. Craver.

Weekly Party

SPRAGUE RIVER — The upper grades held their weekly party at the home of Mr. and Mrs. Folk Haddock, Verla Cole, a sister of Mrs. Haddock, was the hostess.

DAR Hears Talk On History of Bible

"The Greatest Book in the World" was the subject of the talk given on Monday evening at the club rooms of the city library by the Reverend David F. Barnett of the First Presbyterian church. The talk was presented to members of Eulalona chapter, Daughters of the American Revolution, and their invited guests.

Reverend Barnett impressed his listeners with the fact that the Bible, accessible to everyone today, was read only by the clergy and nobility for hundreds of years. Laws were passed in some countries forbidding the common people.

According to the speaker, the first five books of the Bible were written by Moses about 1500 B. C. (3400 years ago), and other portions of the Old Testament were recorded from time to time until 400 B. C., and the New Testament was completed within 100 years after the birth of Christ. Yet it was not until about the year 1456 that the Bible was produced from type.

The invention of the art of printing and the reformation were instrumental in bringing about the occurrence. The various books of the Bible were originally written in Hebrew, Greek or Latin.

Reverend Barnett told of the numerous different versions of the Bible, and of the confusion which this caused. The Coverdale Bible of 1535 was the first to be printed in English and the Geneva Bible of 1560 was the book of Shakespeare, Milton, Bunyon and Cromwell. The Pilgrims and Puritans brought this Bible with them to America, in order to do away with confusion, the King James version was printed and was made the final authority. The King James version, written in 1611, was printed in the language of the people, and is still the most popular edition of the Bible.

The speaker gave credit to Mrs. Bert C. Thomas, regent, for the collection of old Bibles and facsimiles of early versions on display at this meeting. Several members brought interesting Bibles which contained family records through many generations.

During the brief business session which preceded the program hours, Mrs. Thomas read her annual report which will be sent to the state board meeting to be held this month in Portland.

HERE'S a cosmetic tip

Spring . . . and this is the time of bright, gay colors—limes, pinks and fuchsias. Be- turned Hudnut has arned confectioner and gives us a new candy pink DuBarry lipstick shade called Peppermint Pink. It's a pretty-pretty shade that sparkles with everything you wear and gives that sweet as candy long-wearing lipstick life!

AND there's another, Red

let. It's refreshing as a spring rain. A rich, luscious red . . . it makes your look garden-fresh! Our DuBarry lipsticks should be first on your spring cosmetic wardrobe. One dollar plus tax.

SPARKING of colors

Let us show our colors now, in the Red Cross. I don't know if a mother or sister who isn't totally concerned with Red Cross war work. Red Cross lipplasma alone has saved enough lives to justify any sacrifice we can make to keep it going. Give as much as your own cosmetic bill.
