All three men were sta-
tioned with headquarters com-
mand at the post. Barrow was
to be the driver of the coupe
which was riding.
According to the investigating
officer of state police, James H.
son, 60, groundman for the
Klamath Oregon Power com-
pany, was driving toward Klamath
Falls on S. 6th, when the
coupe shot across the high-
way at a 40-mile pace without
stopping at the intersection.
Wilson told officers he
did not see the car as it came
around the curve and his machine
struck the Barrow car broad-
side.

Volger, who suffered head
injury, was given first aid
and later dismissed from
the dispensary. Sgt. Bar-
row had cuts about the head and
injuries. His condition
was reported good late this
morning. Wilson, driver of the
coupe, had three cuts on the
head, state police said.
The remains of Cpl. Clipperton
are at Ward's Klamath Fu-
el Home.

Light Snowfall Seen Between K. F., Eugene

The run of the Southern Pa-
cific railroad between Klamath
Falls and Eugene has seen one
of the lightest snowfalls in his-
tory, according to L. S. Stitt,
chief freight and passenger
agent for SP here.
Some plows have not been
used at all this year. Stitt
said, and were only utilized
last year. This run crosses
Cascade mountain range and
past seasons snow conditions
become very bad over this
route.
In 1936 a depth of 10 to 12
inches of snow was reported at one
point on the railway en route
Eugene, and both flanger and
plow were used to clear
tracks.

Vital Rhine Bridge Seized Intact!

(NEA Telephoto)
This is the vital Ludendorff railway bridge at Remagen, seized by Yanks in an almost incredible stroke that caught one of Germany's most vulnerable invasion gates completely unguarded. The Americans are now across the Rhine in force and over-running town after town on the east bank against relatively weak opposition.

Nimitz Says Jap Fleet Now Ready For Combat Again

SAN FRANCISCO, March 12 (AP)—The Japanese imperial fleet, repairing battle damage suffered in recent actions, is ready for combat again, U. S. Fleet Admiral Chester W. Nimitz disclosed here.
But, Nimitz emphasized at a press conference, "The Japanese fleet now is so inferior in strength compared to the United States fleet that it must choose its time to come out."
He added significantly: "Our policy is to keep our fleet more or less concentrated so that no

matter what time they choose, we will have a very large reception committee waiting."

Nimitz addressed newsmen after his daughter, Mary Nimitz, 13, christened the destroyer USS Buck at Bethlehem Steel shipyard.

The 60-year-old commander in chief of the Pacific fleet said soon "The Japanese will be unable to operate any shipping whatever to the Netherlands East Indies or to their holdings in the South China sea."

U. S. submarines are operating freely along the China coast and "our fleet is approaching the extreme western part of the Pacific ocean," he said.

Artillery Hits Mandalay Barrier

CALCUTTA, India, March 12 (AP)—Allied artillery has smashed three breaches in the walls of Fort Dufferin in the heart of Mandalay but the 75-yard wide moat so far has proved an effective barrier to the entry of British foot soldiers.
Japanese entrenched in the 14-mile square fort which encloses the royal palace are resisting fiercely.

Troops which crossed the Irrawaddy at Myintmu, 40 miles west of Mandalay, scored a major advance after three weeks of hard fighting, reached the vicinity of Myotha, 20 miles southwest of Mandalay, and took control of a road leading north to within 12 miles of Mandalay.

Purse Snatchers Placed on Probation

The teen-age purse snatchers, admittedly involved in taking a pocketbook belonging to Mrs. Kathryn Hankins of the Evans apartments, were placed on probation by the juvenile court this weekend.

County Juvenile Officer Harold Hendrickson said that all moneys and bonds taken from Mrs. Hankins have been recovered. The youths, one 14 and the other 15, will report periodically to the juvenile office.

OWAC Takes Over Area for Red Cross

The Oregon Women's Ambulance corps has taken over an area to solicit funds for the Red Cross drive. Groups were organized last Wednesday who will cover the territory thoroughly.

Members soliciting for the drive will wear their corps uniforms, identifying them as authorized collectors for donations.

JUNIOR HOSTESSES SLATE DANCE AT USO

The USO Junior Hostesses are to sponsor a St. Patrick's Day party at the USO center on Saturday, March 17, at 7:30 p. m. Dancing and singing of Irish songs will highlight the evening, and refreshments will be served from a buffet table. All service men and women are urged to attend as it is being given for them. Service couples are particularly invited.

The club will be decorated with green shamrocks and clay pipes, and each guest of the evening will be given a shamrock to wear in honor of the saint of the Green Isles.

Those USO Junior Hostesses who are participating in the planning of the party are Marjory Botens, Betty Champagne, Isabel Cort and Mary Lou Sexton in charge of decorations, and Evelyn Hudson, Pat Hudson and Frances Ayres on the refreshment committee.

AS to cost, it is never easy to make comparisons when one is referring solely to food served at public eating places. So much depends on what goes with the food—on the CLASS of the place at which you eat. Swank costs money, wherever you find it. If you insist on swank, you must expect to pay more for your food. And you can't measure swank accurately with a yardstick or weigh it precisely on a set of scales.

But it can be stated flatly and without much fear of contradiction that if you eat out here you can't do it on a shoestring in these war days. It is this writer's impression that taking it by and large and striking an average of the places patronized it costs more in the East than in the West.

One Third of Red Cross Quota Received

One-third of the 1945 Red Cross war fund of \$84,000 has been received to date, contributions now totaling \$12,475.16, local headquarters reported Monday morning.

Langel valley is the first rural community to fill a set quota, it was announced by Mrs. C. E. Dennis, executive secretary of the Klamath county chapter of the Red Cross.

COURT TO REVIEW POLYGAMY CASES

WASHINGTON, March 12 (AP)—The supreme court agreed today to review conviction in Salt Lake City of nine members of a "fundamentalist" cult which believes in plural marriage.

Six of the cult members were convicted of Mann act charges and three were held of violating the Lindbergh kidnap act. They contended they were practicing "celestial marriage" and said the case involved the issue of the power of the federal government to regulate the practice of, or punish any form of marriage.

Those appealing were Heber Kimball Cleveland, David Brigham Darger, Vergel Y. Jessop, Theral Ral Dockstader, L. R. Stubbs, Follis Gardner Petty, William Chatwin, Charles F. Zitting and Edna Christensen.

Fishermen Charged With No Licenses

Spring fever hit two fishermen this weekend and both were checked by state police officers and charged with angling without a license. They are slated to appear in justice court late Monday afternoon.

Alvin Leo Barton, reportedly fishing in Link river Sunday, and Eimer Harold Perry, charged with angling in the Geary canal on the same day, are the two against whom complaints were filed this morning.

Hitler Offers Little Hope

LONDON, March 12 (AP)—Adolf Hitler, in a grim, phrase-juggling proclamation marking the 10th anniversary of Nazi military conscription, yesterday offered the German people no more than the forlorn hope the allies will "get tired and yet be broken."

He renewed the Nazi plea of "fanatical resistance," bolstering his appeal with the assertion that the allies, "drunk by their orgy of victory," were intent on "extermination of the German nation."
The proclamation, broadcast from Berlin, said "the year 1918 will not be repeated," implying that Germany would fight on with guerrilla warfare if her armies were smashed.
Hitler declared that "even if fate has turned against us, there can be no doubt that these reverses can be overcome, as so often before, with steadfastness and courage, with endurance and fanaticism."

Sewage System Eyed For Suburban Area

Discussion of a possible sanitary sewage system for the south suburban area is scheduled for a meeting to be held on Thursday evening at the Altamont junior high school auditorium.
W. M. Bartlett, Salem, official of the post-war readjustment and development commission, will be present for the session. All interested persons were invited to attend.

GREAT NORTHERN BUYS LOCOMOTIVES

The Great Northern railroad has just purchased 25 additional diesel locomotives to further expedite movement of military freight traffic over this railway, it was announced today by F. J. Gavin, president of Great Northern.

According to Harry Wayne, general agent for Great Northern in Klamath Falls, the new motive power, which will cost approximately \$350,000, will be utilized throughout the Great Northern system and locomotives of three different power ratings will be included in the new fleet.

Engines will include six 2700 horsepower freight and six 1000 horsepower switching units for delivery this year. Ten 1000 horsepower and three 1500 horsepower road and switch locomotives will be delivered early in 1946, Wayne said.
