

TREATY SENT TO SENATE ON AVIATION

WASHINGTON, March 12 (AP)—President Roosevelt sent to the senate today, with a request for ratification, a treaty on international aviation concluded at an international conference at Chicago last December 7.

Ratification of the convention would make this country a member of an international civil aviation organization whose functions are primarily ministerial and advisory, but which can be used to arbitrate disputes and enforce them by suspending a non-conforming state. Twenty-six nations must ratify the treaty before it becomes effective.

This country already has accepted as executive agreements provisions of the Chicago conference calling for a temporary world body and for a mutual exchange of certain air carrier privileges set out in the convention's so-called "freedom's" documents.

The "freedom's" documents already accepted call for a mutual exchange of the rights of aircraft transit and operational stop, and for carrying passengers to and from the homeland and between intermediate points.

THREE DIE IN CAR CRASH NEAR TURLOCK

MODESTO, Calif., March 12 (AP)—A woman drowned in oil from a broken crankcase, and two men died of skull fractures in a truck-automobile collision Saturday a mile north of Turlock, Stanislaus County Coroner Jack K. Ransom reported.

The victims were Mrs. Emma Lucile Tweedy, her husband, Howard Tweedy, Marysville, Calif.; and Dwight B. Armes, 23, ship's cook second class, Sanger, Calif., stationed at the Vernalis naval air station near here.

Tweedy was driving a Marysville Box and Lumber company truck loaded with box shooks. Armes was alone in a light car. Mrs. Tweedy, riding with her husband, was pinned under the wreckage.

Flashes of Life

NO BACK SLAPPING
FT. BENNING, Ga., March 12 (AP)—Sgt. Melvin J. Kittleson, back from Attu, gave an account of his outfit's most unpopular member.

The soldier found what appeared to be a stick of candy wrapped in red waxed paper in a Japanese machine gun nest. It tasted like candy. After he had eaten half the stick another soldier, familiar with Japanese print, identified it as dynamite. Kittleson said no one slapped the candy-lover on the back for several weeks.

CAPTURE
HICKORY, N. C., March 12 (AP)—Dawn came on the western front, Sgt. Robert Adams wrote his parents, and he tried to awaken his unknown foxhole companion. Adams gave up and went to chow. When he returned he shouted again at his sleeping companion.

This time the response was quick. "It was—"Kamerad!"

SELLOUT
OKLAHOMA CITY, March 12 (AP)—Housing conditions are so bad here you can't even get a reservation in jail.

A transient en route to Holbrook, Ariz., called officers to the bus station here and complained, "I haven't slept for two days and I'm tired and nervous. If I were in jail I could sleep."

Police said sorry, "the jail is full."
HOOKED
BUTTE, Mont., March 12 (AP)—H. F. Fisher and John Sampson found fishing through Missouri river ice very absorbing.

They watched fascinated as a big one approached their hook. Suddenly they realized their ice block was floating down the river. They had to swim 30 feet through icy water to shore.

Petty Larceny Case Decision Slated

Justice of the Peace J. A. Mahoney said today he would render a decision Wednesday in the case of William Todisch, at liberty on a \$50 bond on a charge of petty larceny. The trial was conducted in justice court Friday afternoon. Todisch was represented by Attorney L. Orth Sisemore. He had entered a plea of innocence to the charge of theft of \$27 from a Gilchrist store, the money allegedly belonging to the Pacific Telephone and Telegraph company.

SCOTT REPORTS
BONANZA—Sgt. Edwin H. Scott, son of Mrs. Helen Scott, formerly of Bonanza, has again reported for overseas duty, after completing a one year course of training in various military posts in the United States.

GALLOWAY PROMOTED
Word has just been received by Mrs. Wayne K. Galloway that her husband, a pilot with the air transport command in

cently awarded the Silver Star for his actions against the enemy on Saipan, Marianas islands, on June 16, 1944. The citation from his commanding general reads:

For conspicuous gallantry and intrepidity in action against the enemy while serving with a marine rifle company on Saipan, Marianas islands, June 16, 1944. During fierce, repeated counterattacks against his company's position in the hours before dawn, the enemy in one area concentrated their efforts on a heavy machine gun which was turning them back, and put it out of action. PFC James, armed with an automatic rifle, moved into the machine gun position to fill the gap created. Without thought of personal safety, he repeatedly exposed himself to enemy mortar and machinegun fire in order to observe the enemy activity and better engage targets. Alone, he held this part of the line for a period of about an hour during repeated Japanese charges, until a replacement machinegun could be obtained. PFC James' gallant actions were in keeping with the highest traditions of the United States naval service.

Mrs. James also received word that her husband was awarded the Purple Heart for wounds received in action at Saipan on July 2. PFC James, a Klamath Union high school graduate, enlisted in the United States marine corps reserve in September of 1943, and has also seen action on Tinian in the South Pacific.

The young hero's parents are Mr. and Mrs. William James of Rt. 1, Box 636, in Klamath Falls.

KENO—Delbert V. Puckett, son of Mr. and Mrs. V. E. Puckett, came home recently for a few days' transfer leave, from navy training. Puckett has just completed boot training at San Diego.

Delbert has lived most of his life in Keno. He moved with his parents to Portland about three years ago, where they lived for about two years. At the time of his enlistment in the navy, Delbert was employed here at Keno in timber work. He will report for assignment to further training early this week.

ARGRAVES REACHES PORTLAND FROM ETO

Cpl. Keith Argraves, who served with the United States army paratroopers, medical detachment, and was taken prisoner early in the North African campaign, reached Portland Saturday night to visit with his parents, Mr. and Mrs. Jack Argraves. All are former Klamath Falls residents.

Cpl. Argraves advised his uncle and aunt, Mr. and Mrs. Virgil E. Velch, 1526 Sargent, that he planned to visit here within a short time. He is on a 30-day furlough. Argraves was moving to an Italian prison camp following his capture on December 28, 1942, made one escape from the camp but was recaptured and held until Italy capitulated. He has spent the past six weeks in a rest camp overseas and reports back to duty following his 30-day furlough.

The green coloring matter of plants is called chlorophyll.

North Africa, has been promoted from lieutenant to captain.

Capt. Galloway left for overseas last July. Prior to that he was stationed in Long Beach, Calif., with the ATC where he made domestic and foreign deliveries. Many interesting accounts of his trips have been written home.

Capt. Galloway received his pilot's training beginning at Santa Ana, primary at Visalia and basic at Chico fields in California. He received his wings at Yuma, Ariz., in May, 1943, in the class 43-E. Since then he was stationed with the ATC at various army bases in the United States.

Before Capt. Galloway entered the service in July, 1942, he was employed by the Southern Pacific Railroad company here. Mrs. Galloway resides at the C. D. Galloway home on 715 St. Francis.

Snows Bolster Irrigation Prospects

ASHLAND, March 12 (AP)—Recent Cascade and Siskiyou snowstorms have bolstered irrigation prospects to such an extent that canner contracts now are available for acreage and growers will be furnished with tomato plants and sweet corn seed.

Ralph E. Kooper, manager of the Bagley Canning company, said contracts were held back before the storms. Ed. N. Judd, of the Medford irrigation district, also voiced belief normal spring rains and weather will provide ample water.
