CANCELLATION OF TRAINING GAMES TALKED

WASHINGTON, March 15 (AP)—Major League Baseball Presidents Ford Frick and Will Harridge said today they will recommend to their clubs the cancellation of spring training games involving public transportation.

Frick and Harridge made this announcement along with Clark Griffith, Washington Senator's owner, after conferring with Col. J. Monroe Johnson, office of defense transportation director.

In effecting this further voluntary reduction in travel, the big league clubs may play intra-camp games as well as contests en route to their home parks provided the cities where those games are played are on a direct route home and no additional travel is involved.

Games which the league heads will recommend be cancelled are those necessitating special trips by a team from one training camp to another.

Games at army and navy camps may be played, however, when transportation is provided by the armed services.

When the teams reach their respective home cities, intra-city games such as the Yankees against the Giants in New York or Braves versus Red Sox in Boston may be played.

This arrangement may work a slight hardship on cities that have only one team such as Cincinnati, Cleveland, Detroit and Pittsburgh.

Five Juveniles Appear On Traffic Violation Charges

Five teen-age boys, against whom traffic violation complaints had been filed in the past few weeks, appeared in juvenile court Wednesday afternoon.

Offenses committed by the five ranged from failure to report an accident within a 24-hour period, violation of the basic rule, reckless driving and inadequate brakes.

The boys were placed on probation by the court and in three instances, drivers' licenses were suspended for a period of 30 days. Circuit Judge David R. Vandenberg, presiding over the juvenile court, delivered a lecture to the group from the bench.

Man Sentenced For Drunken Driving

Ernest LeRoy Spohn, resident of Redding, Calif., entered a plea of guilty to the charge of driving while under the influence of intoxicating liquor, and was fined $100 and costs by Justice of the Peace J. A. Mahoney today.

Spohn had previously entered a plea of innocence following his arrest March 10, and was to have had a jury trial. His driver's license was revoked during his residence in Oregon. Spohn was arrested on highway 66 by state police.

TRANSPORT CRASH KILLS 7, HURTS 16

SAN CARLOS, Calif., March 15 (AP)—The crash of a big transport plane on a storm-lashed hillside killed seven men and injured 16 others, the navy said today.

The accident occurred last night a few miles southwest of here. Twelfth district navy headquarters said all the injured lived through the night.

The plane carried 23 persons, headquarters said, all navy and marine personnel.

After lying in cold rain and mud for from one and a half to three hours before rescuers could reach them, 13 of the injured were removed to nearby hospitals.

The plane was flying from Olathe, Kas., via San Pedro, Calif., to Oakland, Calif., where it had been reported overdue. It pancaked in high wind and heavy rain on a steep, grassy hillside at about 8:40 p. m., breaking in half. One of its two engines was shorn off.

Passengers in the rear part of the plane were less seriously injured than those forward, rescuers said. One was able to walk for help, and four or five others were on their feet when help arrived.

A twin-engine plane burning 87 octane fuel can climb at the rate of 1000 feet a minute, but with 100 octane its climb is increased to 1400 feet a minute.

CAR STOLEN, FOUND LATER OUT OF GAS

W. E. Peck, owner of the K-Cafe on Klamath, reported his car stolen to city police yesterday. After a search, the automobile was found out of gas on N. 7th. The wiring had been tampered with in order to start the car, police said. Further investigation is underway.

Three traffic accidents were reported to the police department when Mrs. J. F. Glubrecht, 701 N. 11th, and U. R. Armstrong, Cascade, Ida., were involved in a collision on Oregon at Donald. Damage to the car driven by Mrs. Glubrecht was estimated at $30 and Armstrong reported approximately $75 damage to his vehicle.

L. M. Quam, 334 Upham, had a minor traffic accident with a car driven by J. G. Balthzor, 24 Main, on S. 6th near the intersection at Commercial on Wednesday, and Albert Angel of Klamath Falls reported to police that he was involved in a slight mishap with another car, the driver of which was not known, at 9th and Klamath. No one was injured in any case and no arrest was made by police.

Willis Pigg, USN, 1023½ Main, posted $5 bail today for having an inadequate muffler, and two parking tickets were paid. One drunk appeared in police court this morning and one drunk and one drunk and disorderly case bailed out. There are 14 inmates in the city jail at present, police said.
