Rescue of Nine Skiers Imminent

SPOKANE, March 21 (AP)—The early rescue of nine skiers, marooned on Mount Spokane since Saturday by snows, was foreseen today as snowplows and bulldozers pushed their way through snow packed by a crawler tractor last night.

Efforts to parachute meat to the skiers yesterday were cancelled when overcast skies prevented flights by civil air patrol fliers.

VAN ORDEN NAMED ON SCOUT COUNCIL

Colonel George O. Van Orden, commanding officer of the Marine Barracks, has been appointed on the national council of the Boy Scouts of America.

Serving with Colonel Van Orden on the council's health and safety committee are several nationally known figures, including Captain Eddie Rickenbacker, Vjalmar Stefansson, the explorer, and Thomas Parran Jr., federal health chief.

The Klamath man returned Tuesday from a regional Scout meeting in Portland.

Camp Fire Girls Exhibit Arranged

A Camp Fire Girls' exhibit has been arranged in one of the display windows at Moe's store, through the courtesy of J. A. Souther, manager.

Shown in the window are a Camp Fire Girl's service costume, ceremonial gown and headbands; various articles of handcraft and nature craft, special membership and full group honors. The seven crafts of Camp Fire—home, health, citizenship, business, nature, hand and camp—are represented by the seven different colored honor beads.

New Price Ceilings Urged by Bowles

WASHINGTON, March 21 (AP) Price ceilings on movie tickets and barber and beauty shop services were urged by Price Administrator Chester Bowles today for their "psychological effect."

Before the senate banking committee, he argued that such costs are important items in the average family's budget and that their exemption from price control "has had a demoralizing effect upon our whole retail price control program."

STOLE HIS PATENTS

Germany was sold on the value of the submarine 10 years before World War I by Simon Lake, an American. So impressed and grateful were they that they stole his patents and squeezed him out. Later, he returned to America and began building submarines for the U. S. navy.

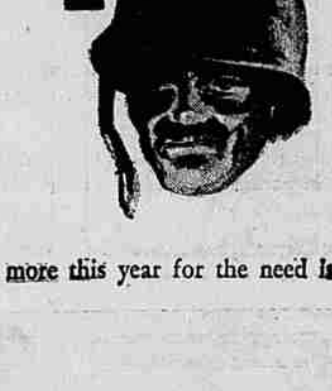
Copies of this memorandum are on file at the office of the Superintendent, Klamath Agency, Oregon, and may be referred to upon request. The contract will specify that all designated timber shall be cut and removed from the unit prior to April 1, 1947. When your Red Cross Solicitor comes to the door...
OPEN YOUR HEART!
Remember he represents more than just the American Red Cross . . . he speaks for hundreds of thousands of G. I. Joe's. Through him you can bring a bit of laughter to wounded men lying in hospitals; a bit of hope to American boys stagnating in prison camps; a bit of home to men who have not seen home in years.
Your Red Cross must be at his side for a long, long time. The wounded, the discharged veterans, the men overseas, all need Red Cross help. So give more this year for the need is greater than ever.



GREET YOUR RED CROSS Volunteer SOLICITOR with a SMILE!
Open your door, your heart and your pocket-book wide when this faithful neighbor calls on you. He is donating his time, his energy and his money, too, for your G. I. Joe's. This volunteer worker is helping to keep your Red Cross at "his" side.
GIVE NOW! GIVE MORE!
Keep your RED CROSS at his side
