

# MALIN DOUBLES RED CROSS WAR DRIVE QUOTA

Malin has more than doubled its quota for the Red Cross war fund drive, Mrs. C. E. Dennis of Red Cross headquarters stated, disclosing that Malin's quota was set at \$1250.

Contributions from Malin have already reached \$2583.62, according to Mrs. Dennis, and more is promised from that community.

Malin is to be commended, not only in doubling its quota, John Ashley, chairman of the drive, stated, but in getting contributions into headquarters in time.

Ashley urges citizens of Klamath county not to delay in making donations toward the \$64,000 goal for the 1945 war fund drive. Ashley reiterated that Klamath county has not been found wanting in any activity toward the war effort yet, and does not expect this to be any exception. He reminds citizens that the month is almost over, however, and it is necessary to get contributions in as quickly as possible so that the drive may be wound up within the time allotted.

# Word "and" Will Cause State to Lose \$200,000

SALEM, March 29 (AP)—The little word "and" will cause the state to lose an estimated \$200,000 during the next two years, the state land board estimated today. The land board asked the legislature to pass a bill providing that national bank accounts which have been inactive for seven years shall go into the state common school fund. The house passed it, and, on the last day of the session, the senate passed it, too. But Sen. W. H. Strayer, Baker,

The moon, when full, gives off about nine times as much light as it does when at the quarter.

**USE RICHLUBE MOTOR OIL**

Now, more than ever, automobile engines need scientific lubrication. The conservation of aging engines demands extra qualities in motor oil. So Richfield automotive engineers, chemists and refinery technologists pooled years of lubricating experience to produce today's Richlube.

# CLEANS AS IT LUBRICATES

From sub-zero temperatures to hottest engine heats, Richlube provides a positive, protecting, oily film to moving parts. And Richlube is designed to clean as it lubricates. Its natural solvent action loosens old carbon and sludge deposits, cleans up pistons and cylinder walls . . . safely.

You'll drive with a cleaner motor when you use RICHLUBE regularly and a cleaner motor means better performance and longer life. USE RICHLUBE . . .
