ORDNANCE DEPOTS HIT BY BOMBERS

LONDON, April 5 (AP)—More than 1200 Fortresses and Liberators attacked two large German ordnance depots, rail targets and airfields in the Munich and Nuernberg areas of southern Germany today. The two ordnance depots at Ingolstadt, 40 miles northeast of Munich, and Grafenwohr, 40 miles northeast of Nuernberg, at Bayreuth, 40 miles northwest of Nuernberg, and Plauen, near the Czechoslovak border, also were attacked and an airfield at Unterschleudersbach, just southwest of Nuernberg, was hit. The heavy bombers were accompanied by 600 Mustangs and Thunderbolts. The attacks followed the biggest night raids in over a month by more than 1000 RAF bombers striking in four waves.

Pravda Says Hoover Against Long Peace

MOSCOW, April 5 (AP)—A Pravda editorial writer contended today that Herbert Hoover "not only fears but does not desire a long peace." Jacob Viktorov, in an article discussing plans for world security, called Hoover an enemy of the soviet union and said the former president's suggestions regarding the Dumbarton Oaks proposals and the forthcoming San Francisco world security conference were "among the most suspicious." (Hoover made his suggestions in a series of articles written for the North American newspaper Alliance and published last week.) "Hoover calls for no haste in the formation of a security organization," Viktorov wrote, and "quoted his former president's articles as saying: 'We must have time in order to cool off from the emotions of wartime. We cannot have simultaneously both peace and retribution.'"

Market Quotations

NEW YORK, April 5 (AP)—Selected stock attracted timid buyers in today's market but numerous leaders were needed in another of the slowest sessions since last September. Earl Martin, failing to procure operator's license, Fine, \$5.50. Lee Leonard Harrington, having alcoholic liquor in possession, Dismissed on motion of district attorney.

WHEAT

CHICAGO, April 5 (AP)—Profit cashing following several days of rising prices caused excess in grain futures markets today. Offerings increased after announcement that Russia had devalued its neutrality pact with Japan. May rye at times lost nearly two cents in the trade and was light and the market nervous. The open interest in May rye has been reduced approximately 7,500,000 bushels in three days, indicating analysts said, that many shorts have been eliminated. Wheat was up as much as 1 1/2 cents at the start but the bulge lasted only a few minutes. At the finish wheat was 1/2 cent higher than yesterday's close, May 1945, 1 1/2 cents. Corn was off 1/2 cent, May 1945, 11 1/2 cents. Oats were down 1/2 cent, May 1945, 11 1/2 cents. Rye was 1/2 cent lower, May 1945, 25 1/2 cents. Soybeans unchanged to off 1/2 cent, May 1945, \$1.08 1/2.
