## SCOUT EXECUTIVE SURVEYS KLAMATH

O. D. Sharpe, regional Boy Scout executive for Oregon, Washington, Montana, Idaho, and Alaska, with headquarters in Portland, is here making a survey of the territory.

Sharpe stated that this region was awarded the Lorillard-Spencer trophy, which is presented annually to the region showing the greatest gain in scout membership. There are 12 regions in America and, as this region already had the largest membership of any region, this is a noteworthy honor, he declared. The trophy will be presented to regional representatives at the annual meeting of the national council on May 17 in New York City.

Sharpe also disclosed the information that Col. George O. Van Orden, commanding officer of the Marine Barracks and an Eagle scout, has been elected a member of the National Boy Scout council.

R. H. Lamott, scout executive here, said that a training session for troop committeemen was held last night at the chamber of commerce in preparation for launching a new board of review plan.

In the future all troops will conduct their own board of review, he said, for all scout ranks. Thirty scout officials attended the meeting, representing 11 troops.
