FDR CABINET MEMBERS MAY BE REPLACED

By JACK BELL

WASHINGTON, April 19 (AP) Some members of the Roosevelt cabinet are on the way out, and soon.

Although the feeling has been general here that President Truman might delay any changes for a couple of months, close friends suggested today that one or more new department heads may be named within days.

Most of them pointed to the labor department, which Secretary Perkins undoubtedly would like to leave as soon as she gracefully can. Most-mentioned as a possible successor is Senator Harley Kilgore (D-W. Va.).

Kilgore is satisfactory to the CIO and also has worked with the AFL. Both organizations must be reasonably satisfied with the man chosen because he probably will head a revitalized department.

A change also will be made in the agriculture setup, with Secretary Wickard slated to step out in favor of a new man who may take over the duties of war food administrator as well.

Marvin Jones, who fills the latter post, told friends recently he would like to go back to the court of claims, from which he was borrowed by President Roosevelt. Jones still draws his pay as a judge, he receives no salary as food administrator.

J. B. Hutson, deputy in charge of agricultural reconversion in the war mobilization office, might be Mr. Truman's choice for the enlarged agriculture portfolio.

James F. Byrnes, former war mobilizer, went back to his Spartanburg home for a rest yesterday, and it was understood he won't come back to Washington for any unofficial advisory position.

When he reappears in government service, it probably will be as secretary of state, succeeding Edward R. Stettinius Jr.

By that time the San Francisco United Nations conference will be over with the way possibly clear for Stettinius to become the American representative in the proposed security organization.

MARINES CONSTRUCT THEATRE FOR FDR

By Tech. Sgt. David Stick of Elizabeth City, N. J., Marine Combat Correspondent, and Distributed by The Associated Press.

SOMEWHERE IN THE MARIANAS (AP)—Marines of a Curtis commando transport squadron based in the Marianas have named their new open air theatre the "Roosevelt Memorial Theatre" in honor of their late president and commander in chief.

The theatre was designed by Marine 1st Lt. Tyrone Power, former motion picture star who is now serving as a pilot of one of the twin-engined commandos. Construction was begun the day of the president's death and completed four days later.

Lt. Power and 1st Lt. Charles E. Church of Roseburg, Ore., did most of the work, and made seats out of empty bomb crates from a nearby B-29 base.

The former movie actor has been overseas two months and flew one of the first commandos to land on Iwo Jima.
