NEW PROGRAM TO ALLEVIATE MEAT PROBLEM

By HOWARD FLIEGER
WASHINGTON, April 20 (AP) — A revised office of price administration meat price and subsidy program designed to meet industry complaints of price "squeezes" was reported to the senate food investigators today. Informed quarters said the new OPA program would continue consumer prices at present levels and accomplish the adjustments through subsidies. It may be announced this week-end.

Details of the program were not disclosed but the general idea was set out in a letter from Wilbur L. Roe, general counsel for the National Independent Meat Packers association, to Chairman Thomas (D-Okla.) of the senate agriculture committee.

Thomas put the letter, dated April 5, into the committee's record on food hearings.

Chaplin's Lawyers To Seek New Trial

LOS ANGELES, April 20 (AP) — Charlie Chaplin's lawyers intend to ask for a new trial of Joan Berry's paternity suit, in which the comedian was named as the father of her 18-month-old daughter, Carol Ann, and if denied, will appeal to have the jury's verdict set aside.

Lloyd Wright and Charles Millikan, counsel for Chaplin, said they would take no action, however, until they had full opportunity to study the transcripts of the trial.

WHEAT

CHICAGO, April 20 (AP) — May, July and September barley broke the five-cent limit today and other grain futures markets were heavy with losses ranging from fractions to more than a cent a bushel.

Profit cashing and hedging were evident from the start and bearish sentiment was given a boost by increased grain arrivals at terminal markets and favorable crop reports.

Also accounting for the losses was the easier tone of coarse grains in cash markets.

At the finish wheat was 1/4¢ higher to 1 1/2¢ lower than yesterday's close. Corn was up 1/4¢ to off 1/4¢. May 1945-46. Oats were down 1/4¢ to 1 1/4¢. May 1945-46. Barley was 1/4¢ to lower, May 1945-46.

To those who have said—
"I'll wait for a HAMILTON"

Maybe you said it because your father was a Railroad man and he knew what Hamilton accuracy meant. Or maybe it was a fine watch you yourself once had—and lost. But whatever the reason, when you come to us for a new watch and find that Hamilton had gone to war you said "I'll wait."

COMING!
We can't say exactly when they'll be here but the new Hamiltons are definitely on the way and when they are available we'll be among the first to have them. Keep watching our windows.

HIGH SCHOOL News Notes and Comment

By KEITH COOK
Well, tonight is the night for girls to take their boy friends "give jumpin'" in the spacious, but not-to-get-lost-in-boys-gym. The never-to-be-forgotten good times the girls have on these "moonlight night" jumps is long-remembered in the thoughts of all who attend. The girls will be in their swirling and daring long dresses while the boys sweat it out in their winter suits. Good music, which is always obtainable from Baldy's band will flow out over the KUHS maple. The gym will be decorated in dashing colors suspended from the roof in the form of streamers.

A campaign rally was conducted this noon under the auspices of Kelly Farris, who heads the "Murray for President" committee. The other two candidates, George Zupan and Jim Howard, are saving their endeavors for Monday, which will be the last day for campaigning.

Grade Schools Give Musical Program

The public is invited to attend the all grade school musical extravaganza which will be presented tonight at 8 o'clock in the Klamath Union high school auditorium.
