NEW OFFICERS NAMED HERE BY WOMEN VOTERS

Mrs. Donald F. McKay was unanimously re-elected president of the local chapter of the League of Women Voters at the annual election held April 16 at the club rooms of the city library.

Assisting Mrs. McKay during the ensuing term will be Mrs. Robert O. Odell, first vice president; Mrs. E. K. Loosley, second vice president; Mrs. John Yadon, secretary, and Mrs. F. C. Ranker, treasurer. Members of the board include Mrs. C. V. Rugh, Mrs. Arnold Gralapp, Mrs. Laton Stephens, Mrs. Leo Sagehorn, Mrs. I. W. White and Mrs. William Ganong. Mrs. McKay will announce her committees at the next regular monthly meeting.

A round table discussion of the Dumbarton Oaks proposal was led by the speakers bureau, including Mrs. McKay, Mrs. Twyla Ferguson and Mrs. E. K. Loosley, and a paper on federal aid to education was read by Mrs. R. E. Wright. It was announced that Mrs. E. A. Geary was joining the speakers bureau, which will be prepared to give talks as requested on the San Francisco conference, Bretton Woods and allied subjects.

An interesting display of clippings was placed around the league rooms for the information of the members, the clippings having as a central theme the Dumbarton Oaks proposals and similar topics. This was loaned through the courtesy of the Christian Science circulation department. After the meeting, this display was moved to the windows of the Hopka building, where it will remain during the Dumbarton Oaks week.

Mrs. McKay has speaking engagements at the Soroptimist club on Wednesday, April 25, and at the Kiwanis club on April 26.

Attending the state conference on May 16 and 17, Mrs. McKay and Mrs. R. E. Wright will represent the local group.

Wave Enlistment Quotas Enlarged

The largest Wave enlistment quotas since curtailment of that activity early last winter have been received at the Klamath Falls navy recruiting station, and all young women who are interested in joining are advised to make application as soon as possible, since the enlarged quotas could be shut off at any time.

More assignments to overseas duty for hundreds of Waves have brought a need for more trained young women to take their jobs in this country. A Wave must serve six months in the U. S. with a perfect record before she is eligible for overseas duty.

Dead Girl Raised Up

The child was dying and the father called Jesus. He reaches the house to find the hired mourners already setting up. Leave off your wailing, Jesus tells them, for the child is not dead but sleeping. At this they laugh Him to scorn, knowing that she was dead. Jesus put them all out and waved back the vast throng that had followed Him. Next, He takes the child's hand and calls out, "Little maid, arise." At this her spirit came again and she stood. Here Jesus commanded to give her food.

So Christ proved His power over death. Now look ahead to your hour. In that hour, the Lord Himself shall descend from heaven with a shout and the dead in Christ shall rise first. Then we who are His and yet alive on earth, shall be caught up with them to meet the Lord in the air. So shall we ever be with the Lord. This is the Blessed Hope and it is yours when your heart knows that the blood of Christ has cleansed away your sins. The lost dead are raised later for judgement.

Look utterly to Christ and live by Power From On High and may God the giver of hope fill you with joy and peace because you trust in him.

STRAIGHT SHOOTERS GIVE TO RED CROSS

The "Straight Shooters" turned their treasury upside down again today and donated $5 to the Klamath county chapter of the American Red Cross.

The Riverside third graders, all under teen-age, have taken over several spring projects to enrich the club coffer. They're mowing lawns, cleaning up yards and other odd jobs to earn money for their community enterprises.

The "Straight Shooters" have regular meetings where they work together making articles for patients in military hospitals. They have no sponsor.

The boys, hearing of the robes and slippers being made for patients, inquired at Red Cross headquarters for directions for making them. They said they could sew.

They brought in six books they had made for convalescents. The books have lightweight covers so that a man forced to lie in one position can hold them without becoming fatigued.

Some of the books contain puzzles, pictures and games. Some are hand-bound full-length novels from popular magazines.

The "Straight Shooters" are Bobby Simmonds, 12; James McClure, 10; Norman Fitzgerald, 9; David Brandsness, 9.
