**SUPPER IDEAS to get EXTRA RED POINTS!**

**SAUSAGES, APPLE RINGS** and mashed potatoes for rainy April nights. Keep draining off the fat as you cook the sausages. Fill up your fat salvage can. Every drop is needed by our country for the battlefield and home-front essentials.

**CORNED BEEF HASH** can be made with a little meat and lots of potatoes, and still be superb. When you're preparing the corned beef, remember to save those little trimmings of fat. Melt them down; strain them into the salvage can.

**CREAMED CANNED FISH**, when it's popped into a casserole and under the broiler to brown, looks like company's coming. But be sure you pour off the oil it's packed in... Remember, it's the small amounts, that soon add up to a pound and those very welcome 2 extra red points and 4 cents! This message has been approved by WFA and OPA and paid for by Industry.
