POLICE OFFICERS HAVE OWN TROUBLES

By PAUL HAINES

Police officers are having their troubles these days, too!

Uniforms are difficult to obtain because of wartime conditions, but the Klamath Falls police department is pretty well fixed.

The official yearly uniform of an officer consists of dark blue trousers, dark blue blouse with gold buttons, black tie, light blue shirt, black shoes, blue cap and a regulation Sam Brown black leather belt. Each officer usually has two complete uniforms.

All officers carry a .38 calibre revolver and a billy club. Traffic policemen deviate slightly from this uniform, wearing tan trousers and special caps.

Each officer purchases and maintains his own uniform and equipment with the exception of badges, which are furnished by the city.

Every policeman has a designated number on his badge as a means of identification. A star is the official emblem of law enforcement officers throughout the nation.

FIVE ARRESTED ON TRAFFIC CHARGES

Five traffic arrests were made over the weekend by city police and one traffic accident was reported.

Henry C. Milligan of Midland, Ore. was involved in an accident with J. E. Shecky, 1777 Gary on 7th. Milligan posted $5 bail for failure to have an operator's license.

Ruby D. Ortis of Klamath Falls posted $25 bail for reckless driving. She was arrested at 6th and Klamath and was cited to appear in police court today.

R. Anderson, Willard hotel, was apprehended for making an improper turn and Susan A. Otey, 2331 Garden, posted $5 bail for operating a motor vehicle with four in the front seat. Richard J. Alyward, Pelican hotel, posted $7 bail for having no muffler and making an improper left turn.

Four drunks and one vag appeared in police court this morning. One additional drunk bailed out.

EMPLOYMENT PLANS AFFECTED BY CUT

Plans of Klamath Falls soft drink manufacturers to offer immediate and postwar employment to returning servicemen may be affected by recent curtailment of allotments of sugar for the production of carbonated beverages, according to W. Ray Lamb, president of the Coca-Cola Bottling company of Klamath Falls.

During the period between April 1 and June 30, bottlers will receive 35 per cent less sugar than they used during the corresponding period of 1941.

"Although our plant, like others in Klamath Falls, has a few jobs open for returning veterans, the recently announced five per cent reduction in sugar allotments has made it necessary to proceed cautiously in making additions to our staffs," said Lamb.

News Notes and Comment

The teen-age club opening Saturday night was a huge success, according to Bob McLean, student body president of KUHS. During the evening, 280 teenagers visited the newly-formed youth club. It is hoped that the grand opening will be this next weekend, although it is indefinite as yet.

In one room of the two-room club, there is a juke box, piano, and chairs around the room. This is for dancing, while the other, including a ping pong table, lounge and coke bar, is for just a general good time. At the coke bar soft drinks, doughnuts, potato chips, candy, peanuts, cookies were served.

For this week only, the teenage club will only be open during the afternoons from 4 until 5:45. It will be open on Friday and Saturday evenings, however.

The last phases of the campaigning for student body officers for next year were in the offing today. Howard campaigners wore pajama tops with signs pinned to their backs. Zupan's campaigners wore "T" shirts with their intentions printed on them. Campaign speeches were made at an assembly for that purpose this afternoon. The election will take place tomorrow in morning home rooms.
