

WORK ON SNOW REMOVAL IN PARK SET SOON

Arrangements are now being made by the national park service for removing snow in Crater national park, and highways approaching the park. The work will probably commence in latter weeks in May, Thomas Parker, assistant superintendent of the park, indicated.

Snowfall in the park area was a little below normal this year, according to snow measurement surveys.

CONCERT PROGRAM MEMBERSHIPS SOLD

Success of past concert seasons was evident in the demand for memberships in the Klamath Community Concert association for the 1945-46 season, it was announced today by George McIntyre, president.

Due to the immediate subscription of members, it was not necessary to conduct the annual spring drive. At the present time there is a limited number of adult memberships available and those wishing tickets for the season may call Mrs. Claude H. Davis, 6055, this weekend. The ticket sale will close Monday, April 30.

Three concerts will be presented this coming season. First to appear will be Jan Peerce, internationally known tenor and singer with the Metropolitan Opera company. He is slated for early fall.

Second attraction is the Columbia Opera company which will present "Barber of Seville," in early December. The company is composed of young Metropolitan stars, several of whom were requested singly for concert here. The company also includes a 32-piece orchestra and full chorus and ballet.

Last of the series will be the famous duo piano team of Bartlett and Robertson, considered tops in their field. They will probably be here in March, making a well spaced program for the year.

Arrangements are now being made by the national park service for removing snow in Crater national park, and highways approaching the park. The work will probably commence in latter weeks in May, Thomas Parker, assistant superintendent of the park, indicated.

State Sues Dairy For License Fees

Suit was brought in circuit court Thursday by State of Oregon ex rel E. L. Peterson, director of agriculture, vs. R. C. Woodruff and Ray C. Smith, doing business as the Lost River dairy.

In the complaint, Peterson sought \$820.00 plus 8 per cent interest from November 30, 1944, said due on license fees which he charges the defendants had failed to pay. Total fees due were \$1789.77, the complaint set forth, and of this amount the firm had paid \$968.87. Samuel B. Weinstein, Portland, is attorney for the plaintiff.

54 FAMILIES NOW HOUSED IN UNITS

Fifty-four families are now settled in the new military housing unit on Washburn way. Four are marine families and 50 are navy. There are 80 units in this project.

Five of the community buildings are still under construction, and street work is almost complete. Sidewalks to the fronts of houses are being laid this week.

Laws for the whole section will be seeded as soon as danger of frost is over, which may not be until the middle of May or later.

The Halvorson Construction company, which has undertaken to build the new 155 unit navy and marine housing project, adjacent to the 80 unit, is now putting in foundations.

This new section was contracted to be finished in five months, which would be by September 1. The 50 unit civilian housing unit, under construction by K. T. Henderson, contractor, is well under way, with grading and foundation work progressing rapidly. The bridge across the canal to Mills school and stores is partly completed.

This unit is scheduled to be finished by July 2.

Students Hear Talk On Radar Training

Over 200 17-year-old students heard a talk on radar Wednesday afternoon.

Ch. Sp. Al C. Freisen and Sp. Howard Spring of the Klamath naval recruiting sub-station, who gave the talk at the high school, reported a substantial response to their message.

Special training in radar is offered by the navy to those enlisting now, Freisen explained, outlining details of the plan.

HIGH SCHOOL

News Notes and Comment

By JUANITA SHINN

The doors to the teen-age club will be open today and Saturday from 4 until 10:45 p. m. Membership cards may be purchased at the door. A large sign has been made for the club, and it now goes by the name of TAC—the initials of Teen Age club.

Kelly Farris, Barbara King, Bill Wilson and Bob McLean, members of the advanced speech class, spoke this noon at a Rotary club luncheon. The theme of the program was a discussion on some postwar problems affecting Klamath Falls.

Members of the band and a cappella choir left this morning in buses to participate in an invitational music contest in Bend.

English placement tests are being given to all high school students, with the exception of seniors, to determine what English classes they will be in next year—A, B or C.

The southern Oregon-northern California track meet will be held in Klamath Falls, on Modoc field, beginning at 1:30 tomorrow afternoon. Several schools in that district will be participating. Student admission is by student body ticket or 30 cents; a adult admission is 60 cents.

The minuet, which the French brought to perfection, really began as a rustic dance.

U. S. forces in Europe receive the equivalent of 18 ounces of milk a day.

FLYING SERVICE TO OPEN AT WORDEN

The Shasta-Cascade Flying service will begin operation at the CAP airport at Worden on Saturday.

The chief instructor and airport manager will be Al Reese, who moved here from Alturas this week. Reese has had 18 years' aviation experience.

P. S. Hitchcock and R. A. McNabb, owners of the firm, said they will be agents here for Aeronica, Fairchild and Beechcraft planes.

Social Gathering Planned by C of C

(A gathering is planned for 5 p. m., April 30, to honor first members and past presidents of the Klamath county chamber of commerce before the anniversary dinner.

Members of the first year of organization of the chamber here, 25 years ago, their wives, and past presidents of the organization and their wives, are invited to the social hour planned in the chamber banquet room.

The silver anniversary dinner is scheduled for later on the same evening, where 600 members and friends will participate in celebrating 25 years of activity of the organization.

Residents Asked to Give to Clothing Drive Pick-Up Here

Vernon Moore, chairman of the united national clothing drive in Klamath county, today requested residents of Klamath and suburban areas to have clothing ready on street curbs for truck pick-up Sunday.

About 20 trucks operated by members of the Lions club will take part in the pick-up Sunday, starting at 9:45 a. m.

Red Cross Thanks Klamath Women

Mrs. C. E. Dennis, in charge of Klamath Red Cross headquarters, expresses appreciation for the response of Klamath women to the appeals for help in making needed articles.

Among articles made in Klamath county Red Cross work rooms are pajamas, bath robes, washclothes, bedside bags, lay-stones, laprobes, bedjackets, slippers, ditty bags, housewives' knit socks and filled apron bags.

Sixteen boxes containing the above articles were shipped from here to the American Red Cross offices in San Francisco Thursday, April 26.

There were 390 navy house-

wives, 110 of which were filled, in the shipment, 665 bedside bags and 245 pairs of men's slippers among quantities of the other items mentioned above.

If it's a "frozen" article you need, advertise for a used one in the classified.
